Your transfer bus takes you straight into the heart of this "Golden City", where a guided walk introduces you to the fourth-oldest university in the world. Later, on the Plaza Mayor, you're transported back to a time when bulls still charged and the brave forcados faced them here, as cheers of "Olé" filled the air. Beneath your feet are the granite stones; before you stand the grand archways; and within you, you feel the simple joy of sitting in what is considered Spain's most beautiful square.

Famous landmarks such as the Hofburg and the impressive City Hall pass by one after another. You continue through the vibrant heart of the city, around Herrengasse, one of Vienna's historic streets, and St Stephen's Square. The gentle hum of your vintage car, the city unfolding before you – this is Vienna at its most effortless, experienced in a way that feels truly original and unexpected.

At the same time, your journey from Duisburg begins effortlessly, as it's quick to reach, with Düsseldorf International Airport nearby. A-ROSA ITINERARIES

Your Cruise on the RHINE, MAIN & MOSELLE

THE NORTHERN RHINE

Set sail towards freedom. The northern horizon is calling, with vibrant cities full of character, laid-back charm and landscapes shaped by heathland, mudflats and endless skies. Breathe in the fresh sea air and feel your soul unwind.

PORT

Your new port of departure, Duisburg, is home to the world's largest inland port. A taste of the wider world awaits here, not least at the International Garden Exhibition (IGA) 2027, a major horticultural event held in the city's RheinPark by the river. Nearby, Landschaftspark Duisburg-Nord, a former industrial site transformed into a unique public park, offers one of the most remarkable urban green spaces in Europe.

Duisburg

Cologne

PORT

First your departure port Cologne is sure to steal your heart, with its magnificent Cathedral. Next, you'll wander through medieval cobblestone alleys lined with historic buildings and welcoming taverns. This is where the Rhineland's famous jovial spirit comes to life. Time for a Kölsch – cheers!

OUR FOODIE TIP:

Treat yourself to a sweet start at **Cologne's** Chocolate Museum, where a chocolate fountain three metres high is guaranteed to tempt your taste buds. Afterwards, head to the Chocolate Grand Café and try what many consider the city's finest chocolate cake. The indulgent chocolate fondues are equally irresistible. And from the chilled-out terrace overlooking the Rhine, it's easy to sit back and savour the moment.

Ghent

Ghent bubbles with creativity and energy. But it's also a place where time seems to slow down. Admire the world-famous Ghent Altarpiece, wander through the peaceful beguinages, or enjoy a picnic beside Saint Bavo's Cathedral while younger travellers burn off energy on the nearby trampolines.

With its winding canals and friendly atmosphere, Utrecht quickly works its way into your heart. How about exploring the city by kayak? Or simply enjoy browsing boutiques and stroll along the Oudegracht, soaking up Utrecht's infectious zest for life.

Utrecht

OUR TIP FOR EXPLORERS:

The charming Korte Smeestraat exudes **Utrecht's** creative spirit. Look up and you'll spot signs above the houses bearing the words 'Evening Time is Reading Time'. As you walk along the street, the illustrated shutters appear to close a little more from one building to the next. Take a look at the back of the signs and you'll discover fascinating images showcasing the stories, professions and passions of former residents.

MAIN, MOSELLE & SOUTHERN RHINE

Welcome to a world of variety. This is a region where mystery meets modernity, where the ancient world feeds into the flair of the big cities. Be enticed by the beauty of the Lorelei statue, rave about castles and mountains, and explore places full of modern culture and living history. While taking it all in over a glass of Riesling.

Frankfurt am Main

PORT

Your port of departure is Frankfurt am Main. The must-see landmarks here include the skyline and the Old Town, where Frankfurt Cathedral, St. Paul's Church and the medieval Römer building are all within walking distance. We recommend taking the Ebbelwei-Express – "the world's slowest express train." You'll be amazed at how relaxed the financial hub can be.

At the Deutsches Eck in Koblenz, you will be greeted by the statue of William I, the first German Emperor, as he overlooks the Rhine and Moselle. Head to Ehrenbreitstein Fortress to enjoy the best views, then stroll through the narrow streets of the Old Town to the Schängel Fountain. Our top tip: Don't stand too close!

Koblenz

Trier

Moselle

Stepping foot in Trier feels like travelling back 2,000 years in time. From the Amphitheatre to the Porta Nigra city gate, there are Roman monuments wherever you go. If you think Germany's oldest city might struggle to be cool, look no further than the shops on the streets leading up to the Main Market.

The Moselle river has romance running through it. As it meanders through the Rhenish Massif, feel your heart swell as you pass by vineyards and fairy-tale castles. There are so many attractions here – the kinds that have to be seen to be believed.

OUR TIP FOR SHOPPING:
The shops in The Krutenau, the popular and trendy district of **Strasbourg**, are effortlessly cosmopolitan. Avoid the major chains and head straight for the little boutiques on Rue Sainte-Madeleine to find unique fashion pieces, hand-crafted items and delicious local delicacies.

OUR TIP FOR FAMILIES:
With swings, climbing nets and a water playground, your kids are sure to love the huge play area in the Volkspark in **Mainz**. Large trees create welcome shade, while the adjacent café offers ice creams. Round off your trip by taking a leisurely tour of the park on the miniature railway.

The Highlights of

A-ROSA SENA

TRAVELLING TOGETHER

Our extra-large E-Motion Ship is powered by a hybrid propulsion system. There's plenty of room on board to pamper you on your holiday – for example, in family cabins measuring 28 m². All cabins feature a balcony for two as well. And your children can experience a new adventure every day in their very own Kids Club.

FULL OF POSSIBILITIES

On the sun deck, you can swim laps in the heated outdoor pool while the kids have fun in their own pool not far away. Order your favourite drink at the Up & Down Bar. And where will you choose to eat tonight? The Market Restaurant, the Pavilion area, the Market Bar and the Riverside outdoor area each have their own charm. At the SENA Grill speciality restaurant, a variety of themed evenings await you. And at the Winery, you can raise a glass to top-quality wines during tastings and workshops.

INTERNATIONAL SHIP

From the very start, this modern ship has been popular with travellers from a wide range of nationalities. Dual-language announcements in German and English, together with our attentive, English-speaking crew, ensure a relaxed and welcoming experience throughout your journey. With the internationally well-connected new port Duisburg, you'll enjoy a smooth start to your journey and a relaxed alternative to more traditional embarkation ports.

UNFORGETTABLE SPA-ROSA EXPERIENCES

Welcome to an extra-large world of relaxation – complete with a Finnish sauna, whirlpool, a heated bench and sensory showers. Unwind by the fireplace in the relaxation area. And pamper yourself with a massage or a beauty treatment. Later, get your heart rate up in the spacious gym, featuring treadmills, elliptical trainers and a TRX suspension training system.

A-ROSA AQUA

SPA-ROSA EXPERIENCES

Here, you'll experience a sense of joy that you can feel in every part of your body. In the sanarium, the temperature is slightly more comfortable than in a normal sauna. And the view is simply unbeatable – you'll become one with nature as you gaze out the window while you remain unseen from the outside. Prefer keeping active? Tone your muscles in our gym at the bow of the ship while enjoying stunning views of the river. And afterwards? Relax in the whirlpool and enjoy that unforgettable open-air feeling.

LARGE SUN DECK

Here, you can drop anchor and relax at your favourite spot. But how about adding a bit of excitement to the mix every now and then? Shuffleboard or minigolf offer a great opportunity to do just that – while nature unfolds all around you.

PLENTY OF SPACE IN THE RESTAURANT

Your taste buds are in for a treat. Take a seat at a cosy table and enjoy our lavish buffet, where we offer a variety of culinary flavours ranging from regional to international. The live cooking stations add plenty of inspiration on top.

INTERNATIONAL SHIP

A-ROSA AQUA was the first ship to sail the Rhine and draws on many years of experience welcoming guests from around the world. As an international favourite for discovering this iconic river, you'll enjoy a relaxed atmosphere with a truly metropolitan feel on board. Dual-language announcements in German and English, together with our attentive, English-speaking crew, create a seamless experience that lets you feel at home from the very start.

A-ROSA SILVA

INTERNATIONAL SUITE SHIP WITH EXTRA COMFORT

A-ROSA SILVA is particularly well suited to guests travelling from further afield with its longer itineraries along the Rhine. Over the years, it has welcomed a vibrant mix of nationalities, creating a relaxed, cosmopolitan atmosphere where you'll quickly feel at ease. The balcony and junior suites offer generous space to unwind – perfect for enjoying a coffee from your in-suite Nespresso machine while watching the scenery drift by. Dual-language announcements in German and English, together with our attentive, English-speaking crew, ensure you'll feel right at home from the first moment.

SPACIOUS SPA-ROSA

How about a nice workout in the gym and then straight into the soothing, warm sanarium? Here, the temperature and humidity are considerably lower than in a traditional sauna. It provides a real sense of well-being, especially for newbies.

SUN DECK FOR PURE RELAXATION

Bridge ahead? Just lie back and carry on daydreaming. On the sun deck, you can relax even on stretches with low bridges: in the heated pool, under the sun canopy or at the P'tit Bar, where you can enjoy a cool drink while you wait for your loved ones.

VARIED AREAS FOR DINING AND ENTERTAINMENT

Fancy a light summer breeze for dessert? In the outdoor restaurant, you can savour every meal under the sun canopy. And in the evening, meet up with new friends at the bar in the Panorama Lounge and dance to one great song after another.

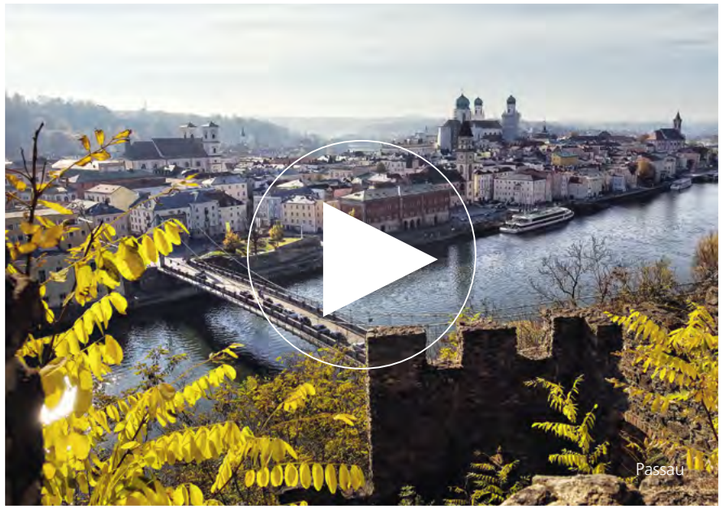
Your Cruise on the DANUBE

DANUBE

Leave everyday life behind and follow your travel dreams. Through vineyard-lined valleys, the gorges of the Iron Gate and the tributaries of the Danube Delta. In world-class cities and places that seem out of this world. A dream cruise awaits!

PORT

In Passau, your departure city, the Danube, Inn and Ilz rivers converge – alongside baroque splendour and friendly Bavarian hospitality. You'll encounter both in the city's many winding lanes. From the Veste Oberhaus fortress, spectacular views of the city, countryside and river await you. And afterwards, you can marvel at more than 30,000 sparkling glass and crystal items on display in the Passau Glass Museum.



Passau

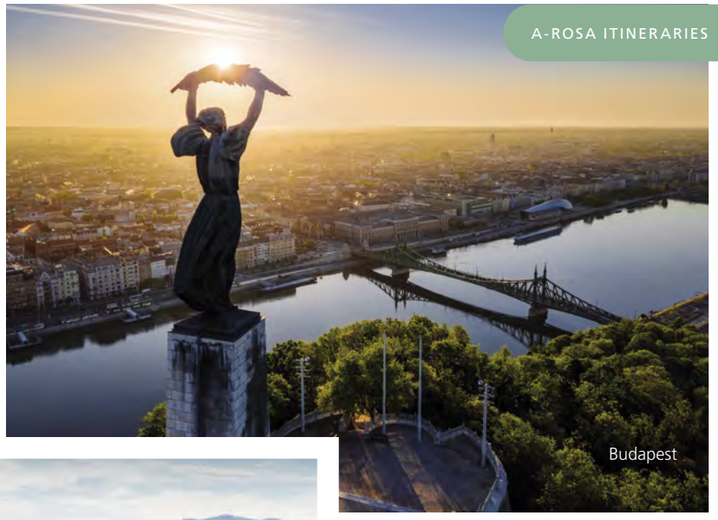
Vienna

PORT

The city of Vienna is another point of departure. In its many coffee houses, every Viennese Melange is served with a dose of pure calm. Afterwards, you'll find the baroque St Charles' Church to be a peaceful alternative to St Stephen's Cathedral. And in the evening? Raise a glass of delicious wine at a traditional Heuriger wine tavern.

OUR TIP FOR EXPLORERS:
While exploring **Vienna**, why not pop into the Jesuit Church on the Dr.-Ignaz-Seipel-Platz inside this baroque gem, you'll find a surprising optical illusion: if you stand on the right stone paving slab and look up, the ceiling appears to be a large dome.

Budapest stirs the soul, especially from Castle Hill. The funicular takes you up. Once you're back down again, you can hop on Budapest's bright-yellow tram to Margaret Bridge. There, you can enjoy the Danube far away from the tourist crowds.



Budapest

Wachau

Take one last deep breath in the Wachau Valley – before it takes your breath away. You'll travel 33 kilometres through one of the most beautiful river valleys in Europe, a marvellous world of vineyards and castles, rolling hills and steep cliffs.

Novi Sad is a vibrant city, but is as relaxed as a wander through Kameniački Park. Later, immerse yourself in the pretty old town, where time seems to stand still in the city's many quaint cafés. And then take a stroll past the town hall, the Renaissance houses and the Name of Mary Church.

Novi Sad

OUR EXCURSION TIP:
Your day in the **Danube Delta:** hop aboard and set off on an adventure! All around you lie vast floodplain forests and romantic fields of water lilies, along with countless lakes and Europe's largest reed beds. Right in the heart of it all, you'll spot otters, red-breasted geese, cormorants and pelicans – of which a good 7,000 are found here. The UNESCO World Heritage Site remains largely unspoilt in many places and is only accessible by waterways.

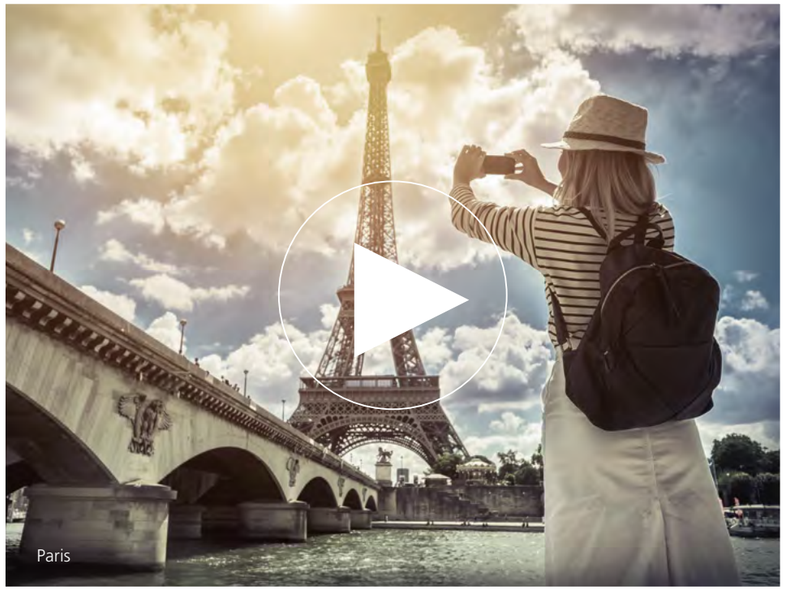
Your Cruise on the SEINE

SEINE

Come aboard and set off on an unforgettable cruise. The blue ribbon running through Normandy takes you from the City of Love through Monet's picturesque spots to the medieval splendour of Rouen and the modern magic of Le Havre. And on the cliffs of Étretat, it's just you enjoying this moment.

PORT

Your journey begins in the Paris metropolitan region – and a fabulous destination awaits. You'll be blown away when you arrive and immerse yourself in the City of Love. Lose track of time on the steps of the Sacré-Cœur, explore the Marais shopping district or stroll across the Pont de Bir-Hakeim – with the Eiffel Tower in the background of your selfie.



Paris

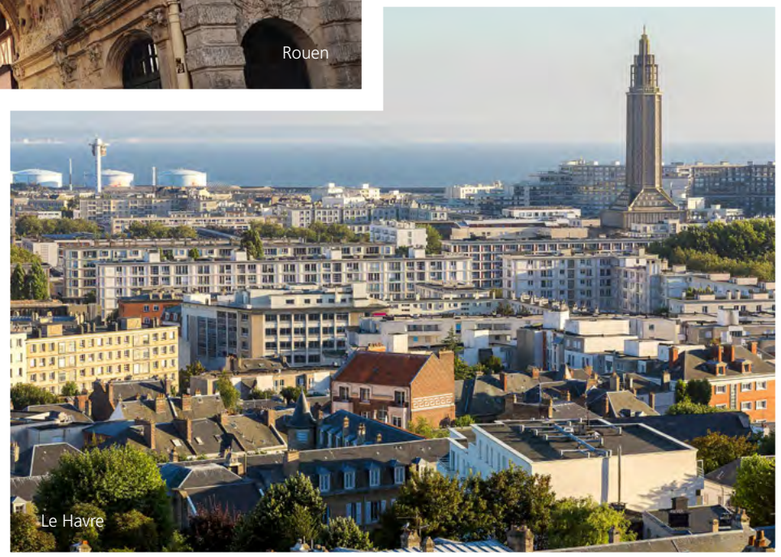
Vernon

In Vernon, at the foot of the Tour des Archives and the Tour de la Farine, you'll feel as if you're back in the Middle Ages. Continue your leisurely walk through quiet alleyways and idyllic landscaped gardens to the famous half-timbered mill that Monet immortalised in his art many years ago.

Rouen

Rouen will capture your heart – whether in the Cathedral, on the Place du Vieux-Marché or in the Halles Agrivin with its Norman cuisine. Give it a try and lose track of time. You'll find it again at the astronomical clock on Rue du Gros-Horloge.

Le Havre breaks away from the ordinary. To begin with, take a walk on the waterfront promenade with the giant arches made of shipping containers. A little further on, the Le Volcan cultural centre is a top tip. And if you feel like indulging in a bit of shopping, around 60 shops in the Docks Vauban await you.



Le Havre

OUR SHOPPING TIP:
Take a stroll through the Marais district of **Paris** and you're sure to come across top-quality new finds. Get inspired by fashion from elegant to extravagant in the boutiques and shops of COS, Eleven Paris and The Kooples. Perfect if you're on the look-out for a new perfume for your date with the Seine. And at Café Charlot, you can raise a glass of wine to your new conquests.

OUR FAMILY TIP:
The Historial Jeanne d'Arc multimedia experience transports you back to the moving story of arguably France's most famous woman. Accompanied by elaborate projections, holograms and installations, you'll follow in the footsteps of the Maid of Orléans, who led the French army at the age of 17 and was burnt at the stake in **Rouen** in 1431. A thrilling exhibition highlight, especially if your children are a little older.

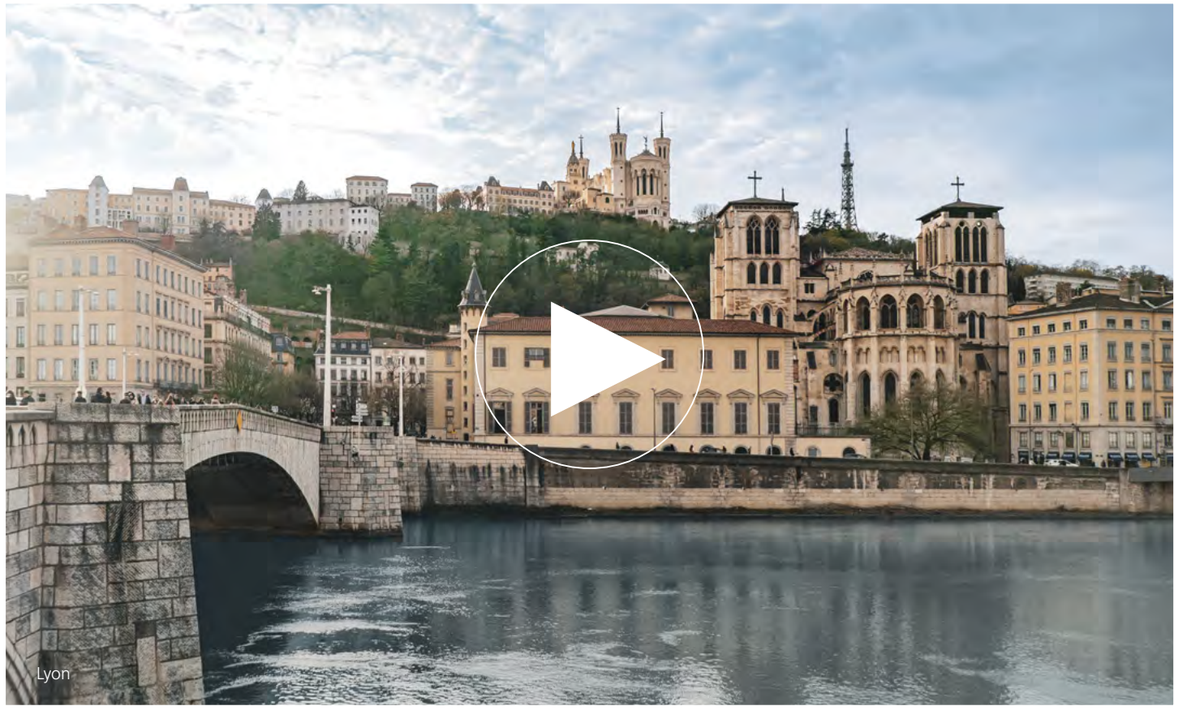
A-ROSA ITINERARIES

Your Cruise on the RHÔNE & SAÔNE

RHÔNE & SAÔNE

Follow that flutter of excitement in your stomach to the south of France through Burgundy and Provence. Everything feels so wonderful and effortless. You'll stroll through towns brimming with romance and lavender fields in the summer breeze. The sun sparkles across your wine glass, and you'll savour every moment in the good-old savoir-vivre style.



Lyon

PORT

Lyon is the capital of French cuisine and surprises you at every turn with new delicacies. The winding old town beckons you next. Here, you'll wander through the Middle Ages and the Renaissance as well as through the 'traboules', a maze of passageways and arcades.

OUR FOODIE TIP:
Les Halles de Lyon Paul Bocuse celebrates the love of good food with you. The market hall is named after **Lyon's** most famous gourmet. And rightly so. At the stalls, some 60 traders showcase France's culinary diversity. The best way to enjoy your visit: simply marvel, shop and sample a bit of everything.

On the Saône passage, you'll glide through Tuscan-style hills and endless vineyards. To top it off, look forward to visiting Mâcon, Tournus and Chalon-sur-Saône, where Joseph Nicéphore Niépce, the father of photography, was born.

Chalon-sur-Saône

Arles

Arles showcases its Roman heritage. Start by exploring the amphitheatre. Later, follow more Roman traces in the old town and stroll through its charming lanes to Saint Trophime Cathedral, in front of which lies the Place de la République.

Seven popes lived in the lap of luxury in Avignon in the 14th century. You, too, can enjoy a carefree experience in the old town. In one corner, you'll find something chic, then you can turn back the clock by the old waterwheels in another – and finally wander across the Rhône on the Saint Bénézet bridge with its few remaining arches.

Avignon

DISCOVER EVEN MORE INSPIRING RHÔNE & SAÔNE HIGHLIGHTS

OUR TIP FOR CULTURE LOVERS:
With its Roman heritage, **Arles** feels like a museum in itself. At the Musée départemental Arles antique, you can explore this in greater depth. Dive into an archaeological treasure trove featuring 500 artefacts dating from the time of the first settlement right through to the end of the Roman period. One of the highlights is the restored wreck of a Roman ship that is 31 metres long.

A-ROSA ITINERARIES

Your Cruise on the DOURO

DOURO

Raise anchor and set sail with us towards golden times. From the beaches of Porto, through one of the world's most beautiful river valleys and to the dazzling beauty of Salamanca. Lose yourself in the moment and relax on the sun deck with a glass of port in your hand. Saúde!

Porto

PORT

Porto offers glimpses of beauty wherever you look. One such sight is the Farolim de Felgueiras lighthouse. With the fresh sea breeze around you, make your way to the Greta de Trindade, the Church of the Holy Trinity. Later, you can discover the little shops on Rua de Cedofeita at your leisure.

OUR EXCURSION TIP:
At the Marcado do Bolhão in **Porto**, you'll be swept away by the atmosphere of a traditional Portuguese market. In this historic building, around 80 stalls and 40 shops display a vast array of goods ranging from delicacies and handicrafts to port wine and ceramic souvenirs. Wherever you wander, you'll be tempted to pick up something and take a few of these local treasures home for yourself and your loved ones.

Douro Valley

Salamanca

Salamanca is Spain's 'Golden City'. Admire its astounding beauty – on the façades of the university buildings, on the Plaza Mayor, in the many narrow streets or the fruit orchards in Calixto and Melibea. Viewed from the Roman Bridge, the cathedrals appear to float above the city.

In the Alto Douro Valley, you'll develop a passion for excellent port wine at some 50 wineries. At the same time, this UNESCO World Heritage Site is one of the most beautiful landscapes on earth. Experience nature at its finest, particularly in the International Douro Nature Park near Barca d'Alva.

OUR FOODIE TIP:
To round off your break on the Douro, make sure to sample the great taste of sardinhas assadas. These sardines bring a delicious taste of Portugal to your palate, especially in summer. Freshly caught, they are first grilled over charcoal and then served on toasted bread. They go well with wine or beer.

A-ROSA ITINERARIES

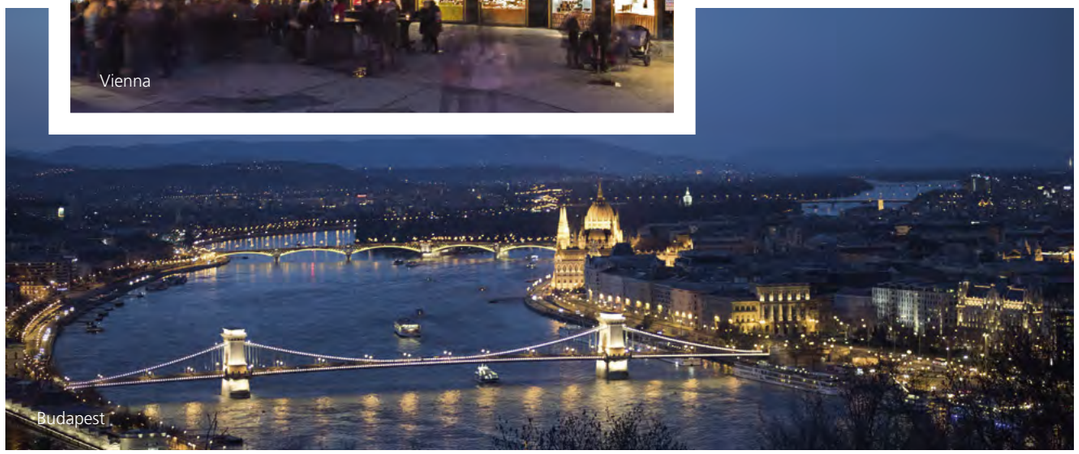
Your Cruise During the FESTIVE SEASON

FESTIVE CRUISES

Escape the hectic run-up to Christmas and treat yourself to a river cruise during the festive season. On the Rhine, Main or Danube. With friends or family. Wander through picturesque Christmas markets, soak up the winter magic and ring out the old year from Budapest to Amsterdam. With time for yourself and everyone close to your heart.

Vienna

Christmas markets in Vienna: in the magnificent grounds and forecourt of Schönbrunn Palace, enjoy a journey through time amongst the lovingly decorated stalls and enjoy the regal Christmas atmosphere. The market at Spittelberg has a romantic ambience. Later, treat yourself to hot chestnuts, handmade Christmas decorations and a Viennese snow globe at the Christmas market on the Rathausplatz square.



Budapest

New Year's Eve in Budapest: when the city hosts its biggest celebration of the year, you'll be right in the heart of it on Vörösmarty Square or along the Danube Promenade. Live music plays everywhere. Get the best view of the fireworks from Gellért Hill or the Castle District. You can also soak up the lively club atmosphere in Budapest's ruin bars.

OUR TIP FOR CULTURE LOVERS:
In **Budapest**, you can also ring out the year in style far away from the street festivities – for example, with a New Year's Eve concert brought to you by the State Opera in Hungary's largest and most magnificent opera house. You'll enjoy the great classics and raise a glass to the New Year at midnight with the ensemble and all the guests.

Strasbourg

A 'star-studded stroll' through Strasbourg: at Christmastime, you'll be right up close to the stars on the Quai des Bateliers. More than 600 lights illuminate the popular promenade along the River Ill, lighting up the historic half-timbered buildings, bridges and trees and bathing everything around in an idyllic festive glow.

OUR FAMILY TIP:
In the Advent village at the Christmas market in **Strasbourg**, you can join in a craft workshop with your children. Create Christmas decorations, embroidery or dreamcatchers together as part of the 'Strasbourg, capital of Christmas' programme. And afterwards, your little ones can hop on the historic children's carousel on the Place de Château and enjoy the ride.

Experience the festive charm of Bonn. Around 170 stalls fill the historic squares of Münsterplatz, Bottlerplatz and Friedensplatz with a warm and cosy Christmas atmosphere. At the Christmas circus on the fairground at Pützchens Markt Wiesen, international performers, musicians and clowns put on a spectacular show.

Bonn

Amsterdam

New Year's Eve in Amsterdam: as the year draws to a close, the parties get into full swing in the city's famous clubs and bars. Or under the starry sky – on the Museumplein square, for example, with the Electric Fireworks and electrifying live acts. Of course, you can also usher in the New Year on a houseboat. With a glass of champagne and delicious Appelflappen, traditional Dutch apple pastries.

ONBOARD INFORMATION A-Z

A-ROSA APP
The A-ROSA App is your travel companion before, during and after your cruise. In addition to your travel information and manifest data, the app also provides the daily onboard programme, port information, SPA-ROSA offers and much more.
For further information and the download link, please visit: arosa-cruises.com/app

BERTHING LOCATIONS
In some cities, port authorities may assign several ships to a shared berth due to high traffic volumes. In these cases, ships may be moored alongside one another, which can restrict the view from your cabin. Unfortunately, A-ROSA has no influence over berth allocations.

BICYCLES
E-bikes can be rented on board for individual excursions, subject to availability, weather conditions and a rental fee. Further information about bike rental is available on board.
Please note that bringing your own bicycle is not permitted. Bicycle rental is not available on A-ROSA ALEA, A-ROSA CLEA and A-ROSA ALVA, nor on any ships between November and January.

CHECK-IN/CHECK-OUT
Please note that boarding, cabin access and check-in are available from 15:00 at the earliest (12:00 noon for suite guests). The official end of the cruise and your check-out on disembarkation day is 9:00 in the morning at the latest. Please bear this in mind when planning your arrival and departure.

CITY TAXES IN PORTS OF CALL
Some of our ports of call levy additional charges such as bed taxes, tourism or cultural taxes, which are not included in the cruise fare. As the tour operator, we are obliged to collect and forward these charges on behalf of the respective authorities. The fees will be charged to your onboard account.
An up-to-date overview of affected destinations and applicable fees can be found at www.arosa-cruises.com/travelinformation. Please note that these charges may change at short notice. Further details can be found in our General Terms and Conditions.

CONNECTING DOORS
A-ROSA AQUA, BRAVA, FLORA, SILVA, and VIVA each offer two cabins with a connecting door per deck, which are ideal for families. A-ROSA SENA features several connecting cabins on Deck 3. For cabin numbers and availability, please contact the A-ROSA Service Center on +49 381 202 6001.

CUSTOMS REGULATIONS
Please ensure that you comply with the customs regulations regarding the import and export of goods and currency. Please note that customs checks may be carried out when crossing EU borders. Identity checks, including passport controls, may also take place.

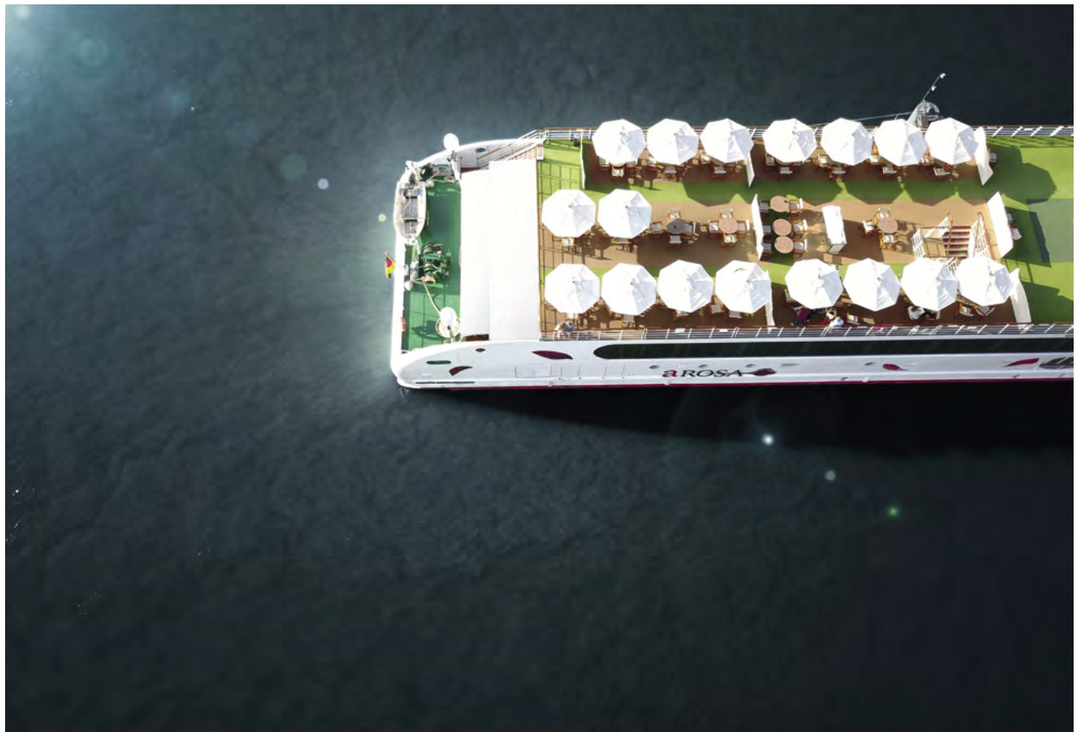
EXCURSIONS
Almost every port of call is the starting point for a number of exciting shore excursions. Detailed descriptions of all available tours can be found on the A-ROSA App and the A-ROSA website. We also recommend attending the onboard information presentation, with times listed in the A-ROSA daily programme. From 1 December 2026, excursions can be reserved in advance online at www.arose-cruises.com/reserve-trips and via the A-ROSA App. Please note that a reservation does not automatically guar-antee that an excursion will take place, as all tours are subject to minimum participation requirements. If the required number of participants is not reached, the excursion will be cancelled and you will not be charged. For guaranteed excursions, we recommend booking Exclusive Tours.
A-ROSA acts solely as an intermediary for the excursions offered. The organisation, operation and guidance of the excursions are provided by local agencies, which are therefore the tour operators responsible for the excursions.

FAMILY CRUISES / CHILDCARE
On selected itineraries and during key school holiday periods, we offer special family cruises with supervised activities and entertainment for children.
On A-ROSA SENA, the A-ROSA Kids Club is located on Deck 1. Outside designated family cruises, it may be used under the supervision of a parent or legal guardian.
For further information, please contact the A-ROSA Service Center on +49 381 202 6001 or visit www.arosa-cruises.com/familycruises

GUESTS REQUIRING ASSISTANCE & WITH LIMITED MOBILITY
On some ships, certain decks can only be accessed via stairs, which may result in limitations for guests with reduced mobility.
A-ROSA SENA, A-ROSA ALEA, A-ROSA CLEA and A-ROSA ALVA have lifts, providing accessible travel between Decks 1–4 or Decks 1–3. Please note that the sun deck can only be reached via stairs. For individual advice, please contact the A-ROSA Service Center on +49 381 202 6001.

GRATUITIES
Our crew is dedicated to making your cruise a memorable experience. If you are satisfied, our crew will be happy to accept a tip as recognition of their service. Most guests choose to tip between € 8 and € 12 per guest, per day. A gratuity box for the entire crew will be available at reception at the end of the cruise. Naturally, you are free to give employees individual tips at any time, or to settle tips using your onboard account or via your credit card.

INTERNET ACCESS
Internet access is available in cabins and public areas via satellite connection. Two internet packages are available: MESSAGE – for basics such as texting, emails and web browsing and STREAM – which additionally includes music and video streaming.



The A-ROSA App can be used free of charge without an internet package. Packages can be booked on board either for individual days or for the entire cruise.
Please note that connectivity may be limited in certain areas along the itinerary. Further information on availability, terms of use and pricing is available at reception.

ITINERARY
Your planned itinerary is outlined in the brochure; subject to change. High or low water levels, maintenance work, and delays at locks or bridges may result in schedule adjustments. In rare cases of extremely high or low water levels or force majeure, parts of the cruise may need to be completed by coach or rail. In exceptional circumstances, overnight hotel accommodation may be required.

LANGUAGE ON BOARD
The languages on board are English and German. All information such as the daily programmes, notices, food menus are offered in both languages.

PETS
Pets are not permitted on board.

PAYMENT METHODS
The onboard currency is the Euro (€). During the cruise, your cabin key card serves as your onboard credit card. At the end of the cruise, you may settle your account in cash, by Maestro/debit card, or with American Express, Mastercard or Visa. Please note that payment by GeldKarte or Traveller's Cheques is not accepted.
When paying by credit card or Maestro/debit card, you will need your PIN code.

SAFETY
Please observe all safety instructions provided through signage, announcements and the onboard safety video. A mandatory safety briefing for all guests takes place on the day of embarkation.

SOCKETS/POWER SUPPLY
Onboard voltage is 220 V/50 Hz, with Type F sockets. There is a reversible 220/110 V socket in the bathroom for electric razors and toothbrushes; it is not suitable for other electric devices. There are multiple 220 V sockets available in the cabins.

1. CONCLUSION OF THE TRAVEL CONTRACT/ OBLIGATIONS FOR FELLOW TRAVELLERS

1.1. The following applies to all booking channels (e.g. in a travel agency, direct booking with the operator, by telephone, online, etc.): a) This offer is based on the trip advertisement and the supplementary information provided by A-ROSA Flussschiff GmbH for the respective trip to the extent it is available to the customer at the time of booking.
b) The customer is responsible for all contractual obligations of the travellers for whom he/she makes the booking as for his/her own obligations to the extent he/she has assumed this obligation by making an express and separate declaration.
c) If the content of the booking confirmation from A-ROSA Flussschiff GmbH differs from the content of the booking, it shall be deemed a new offer from A-ROSA Flussschiff GmbH that shall be binding for a period of ten days. The contract shall be concluded on the basis of this new offer if A-ROSA Flussschiff GmbH has drawn attention to the change regarding the new offer and fulfilled its pre-contractual information obligations and if the customer has accepted the offer within the binding period set by A-ROSA Flussschiff GmbH by making an express declaration or down payment.
d) If an option booking is made, the planned trip shall be reserved for three working days. After this period, the option will automatically become a confirmed booking. Within this period, the customer may choose another travel date or another route free of charge or cancel the trip free of charge.
e) Option bookings can only be made for bookings on the Premium All Inclusive fare. Bookings on reduced or discounted fares are excluded from the option, as is the selection or reservation of specific cabins.
1.2. Bookings made **orally, by telephone, in writing, by email, text message or by fax** are subject to the following provisions:
a) By making a booking (registering for travel), the customer makes an offer to A-ROSA Flussschiff GmbH to conclude the travel contract with binding effect.
b) The contract shall be concluded when the booking confirmation (declaration of acceptance) of A-ROSA Flussschiff GmbH is received. It does not require any particular form. Upon or immediately after the conclusion of the contract, A-ROSA Flussschiff GmbH shall send the customer confirmation of the booking in written or electronic form.
1.3. With regard to **e-commerce bookings (e.g. online, app, telemedia),** the conclusion of contracts is subject to the following provisions:
a) The electronic booking process is explained to the customer in the respective application.
b) The customer will have the option to correct his/her entries or delete or reset the entire booking form, and the use of this option will be explained.
c) The website will list the contractual languages that are offered for making the electronic booking.
d) If the text of the contract is stored by A-ROSA Flussschiff GmbH, the customer will be informed about this and about his/her option to access the text of the contract at a later time.
e) By clicking on "Book" (book with binding obligation to pay), or a similar formulation, the customer makes an offer to A-ROSA Flussschiff GmbH to conclude the travel contract with binding effect.
f) The customer will receive an electronic confirmation stating that his/her registration for travel was received without undue delay (acknowledgement of receipt).
g) The fact that the registration for travel is transmitted by clicking on the button does not give rise to a claim by the customer that a contract will be concluded.
h) The contract is only formed upon the customer's receipt of the booking confirmation from A-ROSA Flussschiff GmbH on a durable medium. If the website confirms the booking immediately after the customer clicks on "Book" (book with binding obligation to pay) by displaying the respective immediate booking confirmation on the screen, the travel contract is concluded when this booking confirmation is displayed. In this case, an interim notification regarding receipt of the booking in accordance with f) above is not required, insofar as the customer is given the option to save the booking confirmation on a durable medium and to print it out. However, the binding effect of the travel contract does not depend on the customer actually making use of these options to save or print it.
1.4. A-ROSA Flussschiff GmbH emphasises that, in accordance with legal provisions of sections 312(7), 312g(2) sentence 1 no. 9 BGB, there is no right of revocation for travel contracts pursuant to Section 651a and 651c BGB concluded by distance selling (letters, catalogues, telephone calls, faxes, emails, text messages, radio, telemedia and online services); instead, the customer has statutory rights of withdrawal and termination, especially the right of withdrawal pursuant to Section 651h BGB (see also 8 in this regard). However, a right of revocation exists if the contract for travel services pursuant to Section 651a BGB was concluded away from business premises, unless the oral negotiations on which the contract conclusion is based were conducted based on the consumer's previous order; there is no right of revocation in the latter case.

2. PAYMENTS

2.1. A down payment of 25% of the travel price is due for payment following contract conclusion (receipt of the booking confirmation) and receipt of the risk coverage certificate pursuant to Section 651r BGB in conjunction with Article 252 EGBGB. When the down payment has been made, the full premium for an insurance policy brokered by A-ROSA Flussschiff GmbH shall also fall due. Payment is made by credit card or transfer directly to A-ROSA Flussschiff GmbH, depending on the payment method chosen by the customer. Unless expressly agreed otherwise with A-ROSA Flussschiff GmbH, payments to intermediary travel agencies do not discharge the obligation to make payment. The outstanding amount shall fall due 30 days before the start of the trip insofar as the risk coverage certificate has been issued and A-ROSA Flussschiff GmbH can no longer exercise its right of revocation for the reasons set out in 6.4. Where bookings are made within 30 days of the start of the trip, the travel price shall be due in full without delay insofar as the risk coverage certificate has been issued.
2.2. If the customer does not make the down payment and/or the outstanding payment by the agreed due dates, even though A-ROSA Flussschiff GmbH is willing and able to duly render the contractual services and has fulfilled its statutory information obligations and the customer does not have a statutory or contractual right of retention, A-ROSA Flussschiff GmbH shall be entitled, after issuing a reminder and setting a final deadline, to cancel the travel contract and charge the customer cancellation costs as set out in 8.2 sentence 2 to 8.5.
2.3. After full payment for the cruise, but no earlier than three weeks before the start of the cruise, the customer will be issued his or her travel information.

3. SERVICES AND PRICES

3.1. The scope of the services which A-ROSA Flussschiff GmbH is obliged to perform is set out in the contents of the booking confirmation in association with the catalogue or cruise description valid at the time of the cruise, subject to all the information and explanations contained therein, including any individual agreements.
3.2. Connecting journeys by train/coach/plane must be organised and booked by the customer themself. Upon request, connecting journeys can be booked through A-ROSA Flussschiff GmbH.
3.3. Any concessions arising from the age of the customer shall be based on the customer's age on the date of the start of the cruise.

4. CHANGES TO CONTRACTUAL CONTENT BEFORE THE START OF THE TRIP THAT DO NOT AFFECT THE TRAVEL PRICE

4.1. Deviations in essential characteristics of the travel services from the agreed content of the travel contract which were not caused by A-ROSA Flussschiff GmbH in bad faith and which become necessary after the conclusion of the contract shall be permitted vis-à-vis A-ROSA Flussschiff GmbH before the start of travel, provided that the deviations are minor and do not adversely affect the overall nature of the trip.
4.2. A-ROSA Flussschiff GmbH is obliged to clearly and comprehensibly inform the customer of changes to services immediately after it becomes aware of the reason for such on a durable medium (e.g. also by email, text message or voice message) in a manner that highlights the change.
4.3. In the event of a significant change to an essential characteristic of a travel service or a deviation from the customer's particular specifications that have been included in the travel contract, Section 651g BGB applies. If the change affects the content of the travel contract, the customer shall be entitled, within a suitable period set by A-ROSA Flussschiff GmbH, at the same time as communication of the change to either accept the change, cancel the travel contract without charge or request a place on a substitute trip if A-ROSA Flussschiff GmbH has offered such a trip. The customer may choose to respond, or not respond, to the communication from A-ROSA Flussschiff GmbH. If the customer responds to A-ROSA Flussschiff GmbH, he/she may either agree to the change, request a place on a substitute trip if such has been offered or cancel the contract free of charge. If the customer does not respond to A-ROSA Flussschiff GmbH at all or within the period set, the communicated change shall be deemed to have been accepted. A-ROSA Flussschiff GmbH will draw the customer's attention to this fact in the communication regarding the service change in accordance with 4.2 in a clear, comprehensible manner that highlights the change.
4.4. Any warranty claims shall remain unaffected insofar as the changed services are deficient.

5. PRICE CHANGES AFTER THE CONCLUSION OF THE CONTRACT

5.1. If the carriage costs, in particular fuel costs, increase in relation to those which existed at the time of the conclusion of the travel contract, A-ROSA Flussschiff GmbH will increase the price of the cruise in accordance with the following calculation:
a) In the case of an increase relating to an individual seat, A-ROSA Flussschiff GmbH may demand an increased amount from the customer.
b) In other cases, the additional amount demanded by the transport company per means of transport will be divided by the number of seats on the agreed means of transport. A-ROSA Flussschiff GmbH may demand from the customer the increased amount for an individual seat calculated in this way.
5.2. If charges such as taxes, port or airport fees are increased to the detriment of A-ROSA Flussschiff GmbH, or if tourist/culture taxes or similar are adjusted or newly introduced at individual destinations, the travel price may be increased by a corresponding proportional amount or the difference may be charged to the onboard account.
5.3. Such increases shall only be permissible insofar as the period between the conclusion of the contract and the agreed date of the cruise is longer than one month. In the event of a subsequent change to the travel price, A-ROSA Flussschiff GmbH must inform the customer without delay. Price increases after the 20th day before the start of the cruise shall be invalid. If the price increases by more than 8%, the customer shall have the right to cancel the contract without charge or request a place on a trip of at least the same value, provided that A-ROSA Flussschiff GmbH is in a position to offer the customer such a trip without additional charge from among those it has on offer. After being informed by A-ROSA Flussschiff GmbH about the price increase, the customer shall be obliged to assert this right without delay.
5.4. A-ROSA Flussschiff GmbH is obliged to pass on price reductions to the customer in accordance with the above.

6. CANCELLATION BY A-ROSA FLUSSSCHIFF GMBH ON GROUNDS OF CONDUCT AND CANCELLATION OF THE CONTRACT OWING TO THE MINIMUM NUMBER OF PARTICIPANTS NOT BEING REACHED

6.1 If a guest's mental or physical condition does not allow them to travel or continue the journey because they are unfit to travel or pose a danger to themselves or others on board, transport may be refused or the guest's holiday may be terminated at any time. A-ROSA Flussschiff GmbH is not liable for any additional costs incurred. The same applies if the guest requires special care due to a mental or physical disability that goes beyond the contractually agreed services of A-ROSA Flussschiff GmbH and the guest does not have an accompanying person for this care. If in doubt, it is advisable to make a specific enquiry at the time of booking.
6.2. A-ROSA Flussschiff GmbH is entitled to terminate the contract if the guest brings on board weapons, ammunition, explosive or inflammable substances, etc., or if the guest consumes or brings on board drugs or commits a criminal offence. An attempt to do any of the above shall also constitute just cause for termination.
6.3. A-ROSA Flussschiff GmbH may terminate the travel contract without notice if, despite warnings from A-ROSA Flussschiff GmbH, the customer/traveller continually causes disturbances or behaves in violation of the contract (danger to life and limb) to such a degree that the immediate cancellation of the contract is justified. This does not apply if the conduct in violation of the contract is based on a violation of A-ROSA Flussschiff GmbH's information obligations. If A-ROSA Flussschiff GmbH cancels the contract, it retains its claim to the travel price; it must, however, take into account the value of any savings in expenses as well as any benefits that may accrue through alternative utilisation of services not utilised by the person concerned, including any amounts refunded by the respective service providers. In these cases, the staff employed by A-ROSA Flussschiff GmbH and the ship's crew are explicitly authorised to protect the interests of A-ROSA Flussschiff GmbH.
6.4. If the minimum number of participants (125 persons) specified in the brochure or the booking confirmation is not reached, A-ROSA Flussschiff GmbH may cancel the travel contract up to 20 days (for cruises of 6 days or more) or 7 days (for cruises of up to 6 days) prior to the start of the trip. A-ROSA Flussschiff GmbH is obliged to inform the traveller that the precondition for the cancellation of the cruise has been met as soon as this situation arises and to send him/her the cancellation declaration without delay. If the trip is not undertaken for this reason, A-ROSA Flussschiff GmbH must refund the customer's payments made towards the travel price without delay, and in any case within 14 days after receipt of the cancellation declaration.

7. BAGGAGE AND ANIMALS ON BOARD VESSELS OPERATED BY A-ROSA FLUSSSCHIFF GMBH

Baggage must contain only items for passengers' personal use. In particular, travellers are not permitted to bring illegal drugs, weapons, ammunition or explosive/flammable substances onto the ships. In accordance with international agreements, any drug offences will be reported to the local authorities. Animals are not permitted on board A-ROSA ships. When you arrive and depart, you should keep your personal valuables, medication and cash safely in your hand luggage rather than in your checked luggage. During the trip, a safe is available in the cabin.

8. CANCELLATION BY THE CUSTOMER BEFORE THE START OF THE CRUISE/ CANCELLATION COSTS

8.1. The customer may cancel the travel contract at any time before the start of the trip. A cancellation declaration must be sent to A-ROSA Flussschiff GmbH. If the trip was booked through a travel agent, the cancellation declaration may also be sent to this agent. The customer is advised to send the cancellation declaration on a durable medium.
8.2. If the customer cancels before the start of the trip or does not begin the trip, A-ROSA Flussschiff GmbH loses its claim to the travel price. A-ROSA Flussschiff GmbH may instead demand suitable compensation for the travel arrangements made prior to the cancellation and its expenses in accordance with the actual travel price, unless it is responsible for the cancellation or extraordinary circumstances arise at or in the immediate vicinity of the destination that have a significantly adverse effect on the execution of the trip or the transport of persons to the destination. Circumstances are extraordinary and unavoidable if they are beyond the control of the tour operator and their consequences could not have been avoided even if all reasonable precautions had been taken. In the event of cancellation by the customer, a percentage rate of compensation for travel arrangements made and expenses incurred shall become payable, the amount of which depends on the date when the cancellation declaration is received and the expected amount of saved expenses. We therefore recommend that any cancellation declaration be made on a durable medium (e.g. in writing). The percentage rate of compensation is calculated as follows:
a) Standard rate for "A-ROSA Premium All Inclusive" prices
- up to 31 days before departure 40%
- 30 days or less before departure 60%
- 24 days or less before departure 70%
- 17 days or less before departure 80%
- 10 days or less before departure 85%
- 3 days before departure until the day of departure or cancellation on the day of arrival or no-show 90%

b) Special rate for "A-ROSA Basic Full Board" prices
- up to 31 days before departure 50%
- 30 days or less before departure 70%
- 24 days or less before departure 80%
- 17 days or less before departure 85%
- 10 days or less before departure 85%
- 3 days before departure until the day of departure or no-show 90%

c) If a partial cancellation is made by a full-paying passenger (irrespective of the booked rate) who has booked a double cabin, with the result that the remaining passenger will have single occupancy of the double cabin, A-ROSA Flussschiff GmbH reserves the right to charge cancellation costs as set out in the table. The compensation payable shall amount to no less than 80% of the proportionate travel price. The same shall apply if a passenger paying the full price cancels their berth in a cabin with multiple berths. In this situation, A-ROSA Flussschiff GmbH reserves the right to rebook the cabin. If a partial cancellation is made for a child up to 11 years of age who is travelling free of charge in the company of at least one responsible adult and is accommodated in a double cabin, A-ROSA Flussschiff GmbH will charge the full applicable single cabin supplement and a processing fee of up to € 150.
d) For additional firmly booked and confirmed packages with a separate booking code and also for arrival and departure arrangements and extended stays in hotels, the standard rate shall apply (8.2.a)).
8.3. Before the trip begins, the traveller may request, in accordance with Section 651e BGB, that a third party assume his/her rights and obligations arising from the travel contract. Such a declaration shall be deemed timely if A-ROSA Flussschiff receives it seven days before the start of the trip. A-ROSA Flussschiff GmbH may refuse to accept substitution by the third party if he/she does not satisfy the specific travel requirements or if statutory provisions or administrative orders stand in the way of his or her participation. If a third party enters into the contract, that person and the customer shall be jointly and severally liable to A-ROSA Flussschiff GmbH in respect of the travel price and any additional costs arising from such substitution. For the substitution of a passenger, A-ROSA Flussschiff GmbH will charge an additional fee of € 50 per person for the cruise only. Costs arising from the substitution in respect of any additional services that may have been booked (flights etc.) will be charged in full to the person making the booking.
8.4. A-ROSA Flussschiff GmbH reserves the right to demand higher, individually calculated compensation in place of the above standard rates insofar as A-ROSA Flussschiff GmbH can prove that it has incurred significantly higher expenses than the applicable standard rate. In this case A-ROSA Flussschiff GmbH is obliged to specifically quantify and prove the amount of compensation demanded, taking into account the expenses saved and the possible alternative utilisation of the travel services.
8.5. The customer reserves the right to prove that the reasonable compensation due to A-ROSA Flussschiff GmbH is significantly lower in amount than the standard rate compensation it demands or that it has not suffered any loss at all.
8.6. If A-ROSA Flussschiff GmbH is obliged to reimburse the travel price as a result of a cancellation, the payment must be made without delay, and in any case within 14 days after receipt of the cancellation declaration.
8.7. Please note that you have the option of taking out travel cancellation insurance, insurance to cover repatriation costs in the event of an accident, illness or death, and other types of travel insurance with our partner insurance provider. Further information can be found at www.arosa-cruises.com/insurance

9. CHANGES TO BOOKINGS

After conclusion of the contract, the customer does not have any entitlement to changes in respect of the date of the cruise, the destination, the place of departure, the accommodation or the means of transport (changes to bookings). If any changes to the booking are nevertheless made at the request of the customer, A-ROSA Flussschiff GmbH is entitled to make a charge per traveller for changes to the bookings with in the periods set out below. This charge is as follows:
9.1. Up to 30 days before the start of the cruise:
a) Bookings in the price category A-ROSA Premium All Inclusive: first change of booking per person free of charge; for each additional change € 150 per person if the change to the booking is made within A-ROSA Premium All Inclusive to an equivalent cruise and it is a firm booking. Changes of bookings from A-ROSA Premium All Inclusive to A-ROSA Basic Full Board are not possible.
b) Flight-inclusive bookings: for changes to flight-inclusive bookings the charge specified in 9.1. a) will be increased by € 80 per person.
9.2. Changes to bookings less than 30 days before the start of the cruise:
Any desired changes to the bookings by the client which are requested 29 or fewer days before departure can be made, to the extent that they are possible at all, only after the customer has withdrawn from the travel contract under the existing conditions and simultaneously made a new booking. This shall not apply to changes to bookings that give rise to only minor costs.
9.3. Standard charges for administration, cancellation and changes to bookings fall due immediately.
9.4. Please note that rebooking is subject to cabin availability (limited contingent) and that surcharges may apply depending on the travel date, category, route and price level. If a trip is rebooked, any early booking or other advantages may only be transferred to the new booking subject to availability and within the respective periods of validity. Rebooking to a promotional fare is not possible.

10. UNUSED SERVICES

If the customer/traveller does not utilise certain travel services that have been offered in the proper way owing to reasons which are his/her own responsibility (e.g. his/her leaving the cruise prematurely or other compelling reasons), he/she shall not be entitled to claim a refund of a proportional amount of the travel price. A-ROSA Flussschiff GmbH will seek to obtain a refund of the expenses saved by the service provider. This obligation shall not apply if the services in question are of negligible significance.

11. THE TRAVELLER'S OBLIGATION TO PROVIDE ASSISTANCE

11.1. Travel information
The customer must inform A-ROSA Flussschiff GmbH or the travel agent through which he/she booked the trip if he/she does not receive the necessary travel information (e.g. flight tickets, hotel voucher) within the period of time set by A-ROSA Flussschiff GmbH.
11.2. Report of deficiencies/request for remedy
If the trip is not executed free of deficiencies, the traveller may demand redress. The traveller is obliged to notify the tour guide at the holiday destination about the deficiencies without delay. If there is no tour guide at the holiday destination, any deficiencies in the cruise must be reported to A-ROSA Flussschiff GmbH at its headquarters. The information on how the tour guide and/or A-ROSA Flussschiff GmbH can be contacted will be given in the specification of services provided or, at the latest, along with his/her travel information. The tour guide is authorised to take steps to remedy the situation, if possible. However, he/she is not authorised to recognise the customer's claims. Insofar as A-ROSA Flussschiff GmbH is unable to provide remedy due to the culpable failure to report deficiencies, the traveller may not assert abatement claims in accordance with Section 651m BGB or claims for compensation in accordance with Section 651n BGB.
11.3. Notification period prior to cancellation:
If a traveller wishes to terminate the travel contract on account of a travel deficiency of the kind described in Section 651i(2) BGB, if it is significant, in accordance with Section 651l BGB, he/she must grant A-ROSA Flussschiff GmbH a reasonable period to remedy the situation in advance. This does not apply if A-ROSA Flussschiff GmbH refuses to remedy the situation or if a remedy is required immediately.
11.4. Damage to and late arrival of baggage in the case of air travel; specific rules and deadlines:
a) The traveller is advised that any loss of, damage to or late arrival of baggage in connection with air travel must be reported, in accordance with provisions under aviation law, by the traveller at the airport without delay using a property irregularity report (PIR) provided by the competent airline. Airlines and tour operators may also refuse to reimburse customers on the basis of international agreements if the PIR has not been completed. Where baggage has been damaged, the PIR must be submitted within seven days after receipt of the baggage and in the case of late arrival within 21 days.
b) In addition, the loss, damage or misdirection of baggage must be reported to the tour guide or the local representative of A-ROSA Flussschiff GmbH without delay. The traveller is also obliged to file a PIR with the airline within the above periods in accordance with a). Failure to report may result in the loss of any claim.

12. LIMITATION OF LIABILITY

12.1. The contractual liability of A-ROSA Flussschiff GmbH for damage – excluding physical injury and culpably caused damage – is limited to three times the travel price. Any potential further claims pursuant to international agreements or legal provisions based on such remain unaffected by the limitation.
12.2. A-ROSA Flussschiff GmbH is not liable for impairments of performance, personal injury or property damage in connection with services for which it has merely acted as an agent (e.g. brokered excursions, sports events, theatre visits, exhibitions) if these services are explicitly specified in the trip advertisement and the booking confirmation as external services, citing the name and address of the contractual partner providing the service, in such a way that the traveller has been clearly informed that these services are not within the scope of the travel services and have been selected separately. Sections 651b, 651c, 651w and 641y BGB remain unaffected by this. However, A-ROSA Flussschiff GmbH is liable, if and to the extent that the loss or damage incurred by the customer is attributable to A-ROSA Flussschiff GmbH's violation of its obligations in respect of information, explanation or organisation.
12.3. Parental supervision obligation/childcare:
Supervision of any accompanying children remains the responsibility of their parents on all cruises with A-ROSA Flussschiff GmbH. This also applies if A-ROSA Flussschiff GmbH provides any childcare services as part of their programme. These programmes are designed to provide entertainment for the children. As the A-ROSA Flussschiff GmbH ships do not have any enclosed spaces for the purposes of supervision, A-ROSA Flussschiff GmbH is unable to guarantee uninterrupted supervision of the children.
12.4. Insofar as A-ROSA Flussschiff GmbH is the contractual or performing carrier as regards the trip, or is deemed to be such in accordance with statutory provisions, A-ROSA Flussschiff GmbH is also liable in the case of compensation claims for personal injury or damage to baggage under specific statutory regulations (in particular Sections 538 et seqq. of the German Commercial Code [HGB]).

13. ASSERTION OF CLAIMS: ADDRESSEE, INFORMATION ON CONSUMER DISPUTE RESOLUTION

13.1. Reporting deficiencies
The customer/traveller must assert claims pursuant to Section 651i(3) no. 2, 4–7 BGB against A-ROSA Flussschiff GmbH. Claims can also be asserted through the travel agent if the package holiday was booked through said travel agent. It is advisable to assert claims on a durable medium.
13.2. When reporting damage to baggage or delay in the delivery of baggage in connection with flights pursuant to Clause 11.4, Clause 13.1 shall apply if warranty claims (sections 651k (2), 651l(2), (3), and 651m BGB) are asserted.
13.3. A-ROSA Flussschiff GmbH is not liable for damage to or loss of personal valuables due to theft, loss or extreme stress occurring outside the ship, unless the damage or loss is due to intentional or grossly negligent behaviour on the part of A-ROSA Flussschiff GmbH. A-ROSA Flussschiff GmbH is liable for damage to or loss of cabin luggage in accordance with the German Commercial Code (HGB) provisions.
13.4. Abatement claims and claims for compensation should only be asserted against A-ROSA Flussschiff GmbH at the following address: A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany. The customer is strongly encouraged to assert claims on a durable medium (e.g. in writing).
13.5. A-ROSA Flussschiff GmbH emphasises in relation to the Act on consumer dispute resolution that it does not participate in voluntary consumer dispute resolution. If consumer dispute resolution becomes mandatory for tour operators after these Terms and Conditions of Travel are released (June 2026), A-ROSA Flussschiff GmbH shall inform the customer of this in a suitable form.

14. PASSPORT, VISA AND HEALTH REGULATIONS

14.1. Every traveller on A-ROSA river cruise ships must carry a valid identity card or passport. All children (from the time of their birth) must have their own travel document for travel abroad (see Entry Regulations in brochure).
14.2. A-ROSA Flussschiff GmbH will inform nationals of Member States of the European Community in which the cruise is offered about the relevant passport, visa and health regulations before the contract is concluded and about any changes to these regulations before departure. For nationals of other states the appropriate consulate will provide information. In providing this information, it is assumed that there are no peculiarities relating to the person of the customer and any fellow travellers (e.g. dual citizenship, statelessness).
14.3. A-ROSA Flussschiff GmbH will inform the customer about any changes to the regulations set out in the cruise description before the contract is concluded.
14.4. The customer is responsible for obtaining and carrying the officially required travel documents, for any necessary vaccinations and for adherence to customs and foreign currency regulations. Any disadvantages which arise as a result of nonadherence to these regulations, e.g. the payment of cancellation costs, will be charged to the customer. This does not apply if A-ROSA Flussschiff GmbH failed to provide information or the information provided was insufficient or incorrect.
14.5. The customer must provide A-ROSA Flussschiff GmbH all personal data (manifest data) required for the cruise six weeks before the start of the cruise at the latest and must ensure that the manifest data conform to the data in the travel documents (e.g. ID or passport). When booking from six weeks before the start of the cruise, the manifest data must be provided immediately.
14.6. A-ROSA Flussschiff GmbH is not liable for the timely issue and delivery of any necessary visas by the respective diplomatic mission if the customer has requested the tour operator to obtain such visas unless it has culpably violated its own obligations.

15. ASSIGNMENT, VALIDITY OF TERMS AND CONDITIONS

15.1. Without the consent of A-ROSA Flussschiff GmbH, the customer cannot transfer (assign) claims against A-ROSA Flussschiff GmbH to third parties in part or in whole. This does not apply between the customer and relatives travelling with him/her or people for whom the customer has assumed an obligation in accordance with 1.1. b)
15.2. These Terms and Conditions of Travel and all information in the A-ROSA brochure 2027 are correct and up to date as of August 2026. They apply to all cruises in the A-ROSA brochures 2026/2027 with A-ROSA Flussschiff GmbH and replace any previous versions or editions relating to A-ROSA cruises. You can find the current version at arosa-cruises.com/company/general-terms-and-conditions.

16. APPLICABLE LAW AND JURISDICTION

16.1. German law applies exclusively to the contractual relationship between the customer and A-ROSA Flussschiff GmbH. Insofar as German law is fundamentally not applicable to actions brought by the customer against A-ROSA Flussschiff GmbH abroad for the liability of A-ROSA Flussschiff GmbH, German law shall apply exclusively with regard to the legal consequences, especially in relation to the nature, scope and amount of the customer's claims.
16.2. Customers may only bring action against A-ROSA Flussschiff GmbH at its registered office in Rostock. For action brought by A-ROSA Flussschiff GmbH against customers, the customer's place of residence is decisive. Rostock is agreed as the place of jurisdiction for action brought against customers who are merchants, legal entities under public or private law or persons whose place of residence or usual abode is abroad or whose place of residence or usual abode is unknown at the time the action is filed.
16.3. The above provisions do not apply:
a) if and insofar as the contractually mandatory provisions of international agreements applicable to this contractual relationship provide otherwise in favour of the customer, or
b) if and insofar as mandatory provisions of an EU Member State where the customer is a citizen that are applicable to the travel contract are more favourable for the customer than these provisions or the corresponding provisions under German law.

17. DUTY TO PROVIDE INFORMATION ABOUT THE IDENTITY OF THE PERFORMING AIRLINE

The EU directive concerning the information of flight passengers about the identity of the performing airline obliges A-ROSA Flussschiff GmbH to inform the customer at the time of booking about the identity of the performing airlines with regard to all flight services in connection with the cruise booked. If the performing airline has not been decided upon at the time of booking, A-ROSA Flussschiff GmbH is obliged to inform the customer about the airline or airlines which will probably perform the flight. FORM FOR INFORMING TRAVELLERS IN THE CASE OF A PACKAGE HOLIDAY

pursuant to Section 651A of the German Civil Code

The combination of travel services offered to you is a package holiday as defined by Directive (EU) 2015/2302. You can therefore make use of all EU rights applicable to package holidays. The company A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany bears all responsibility for the proper execution of the entire package holiday. The company A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany also has the insurance prescribed by law for reimbursing your payments and, if transport is included in the package holiday, for ensuring your return transport in the event of its insolvency.

MOST IMPORTANT RIGHTS IN ACCORDANCE WITH DIRECTIVE (EU) 2015/2302:

- Travellers will receive all key information on the package holiday before the package holiday contract is concluded.
- At least one company is always liable for the proper provision of all services included in the contract.
- Travellers will receive an emergency telephone number or details for a point of contact through which they can contact the tour operator or the travel agency.
- Travellers may transfer the package holiday to another person within a reasonable period and, depending on the circumstances, at additional cost.
- The price of the package holiday may only be increased if certain costs (e.g. fuel prices) increase and this is expressly provided for in the contract; any increase may only be implemented up to 20 days before the start of the package holiday. If the price increase exceeds 8% of the price of the package holiday, the traveller may cancel the contract. If a tour operator reserves the right to increase the price, the traveller has the right to a price reduction if the relevant costs fall.
- Travellers may cancel the contract without paying a cancellation fee and be reimbursed for all payments in full if one of the key elements of the package holiday changes substantially, apart from the price. If the company responsible for the package holiday cancels the package holiday before the start of the holiday, travellers are entitled to reimbursement and, depending on the circumstances, compensation.
- Travellers may cancel the contract without paying a cancellation fee if extraordinary circumstances occur before the start of the package holiday – for example, if there are serious safety problems at the destination that are expected to adversely affect the package holiday.
- Travellers may also cancel the contract at any time before the start of the package holiday against payment of a reasonable and proportionate cancellation fee.
- If key elements of the package holiday cannot be executed as agreed after the start of the package holiday, the traveller shall be offered different, suitable arrangements at no extra cost. The traveller may cancel the contract without paying a cancellation fee (this right is known as termination in the Federal Republic of Germany) if services are not rendered in accordance with the contract and this has significant effects on the provision of contractual package holiday services and the tour operator fails to provide a remedy.
- The traveller is entitled to a price reduction and/or compensation if the travel services are not rendered properly or at all.
- The tour operator shall assist the traveller when the latter experiences difficulties.
- Payments shall be reimbursed in the event of the tour operator's or – in some Member States – the travel agent's insolvency. If the tour operator or, where relevant, the travel agent becomes insolvent after the start of the package holiday and transport is part of the package holiday, the return transport of the travellers shall be guaranteed. A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany, has taken out insolvency insurance with the Deutscher Reisesicherungsfonds GmbH. Travellers may contact this establishment (Deutscher Reisesicherungsfonds GmbH, Sächsische Straße 1, 10707 Berlin; tel.: +49 30 78954770; email: schadenmeldung@drsf.reise) or, where applicable, the competent authority if they are refused services on account of the insolvency of A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany.
