Visit the Holy Land (Quest or Journey).

It takes time to know the *character* of a place. On an Azamara Club Cruises® voyage, there's no need to rush.

The perfect voyage

At Azamara Club Cruises®, we believe every voyage should pair a leisurely experience at sea with new discoveries on land. One without the other is only half the experience of what a voyage should be.

By sea, an Azamara Club Cruises voyage is distinguished by smaller ships, personalised attention, and a modern, more intimate sailing experience. By land, we're set apart by our focus on helping our guests make the most of every destination.

With longer stays and more overnights in port, you'll have time to get beneath the surface and explore what makes each place unique. In much of Europe, Asia, and South America, the night is when real life happens. You'll be part of it. You'll have opportunities to enrich every destination experience with Azamara's carefully selected land tours, available before, during and after every voyage.

Superb value

For the worldly traveller who expects more from a voyage, Azamara Club Cruises is tremendous value. And the value is even greater for those who plan ahead. So dream now, then book soon. Your 2012 voyage will be here before you know it.

See the Norwegian fjords.

Santorini, Greece.

Make the most of every destination with Azamara's acclaimed Land Discoveries® and Cruisetours, led by experts with intimate knowledge of local history and culture. There's something for every interest: unique shopping in out-of-the-way places, regional cuisine tours, outdoor sports, history walks, private museum tours, and dazzling candlelit dinner concerts under the stars. On an Azamara Club Cruises voyage, there's more time to explore.

Antarctica

Join Azamara on a one of a kind voyage to Antarctica during the short peak season, when you'll enjoy warmer temperatures and long daylight hours. That's more hours of awe as our smaller ship takes you closer to view the icebergs, scenic passages and diverse terrain of this spectacular continent. In addition to three days of sailing near the Antarctica Peninsula, this voyage includes The Falkland Islands, Ushuaia (Patagonia), and the wildlife haven at Puerto Madryn, Argentina. You'll have unique opportunities to view diverse species of whales, penguins, seals and birds, many of which can be found only here.

Buenos Aires, Argentina

Known for its sensual tango, this cosmopolitan city also features fine dining (including world-renowned Argentinean beef) and vibrant nightlife. Divided into 48 districts, or barrios, Buenos Aires has something for every taste, from trendy upscale shopping to grand parks and promenades. Iguazu Falls, a must-see destination, is just a short flight away as part of an Azamara Cruisetour.

St. Barts, West Indies

A happy playground for Francophiles, St. Barts features charming bistros, fine French dining, and upscale shopping. A temperate tropical climate and pristine beaches make St. Barts an alluring destination for those who want to combine water sports such as snorkeling, sailing and windsurfing with sophisticated island living.

New York, New York, USA

Join Azamara Club Cruises® for a rare overnight port visit in New York. Experience the Statue of Liberty as never before, as we sail into the harbour of this quintessential American city. New York has it all, whether your taste tends toward museums, music, theatre, cuisine, neighbourhood explorations, fashion or club-hopping. It's a new adventure on every visit!

Paris, France

Azamara has the advantage over larger ships as we sail up the Seine River to Rouen to bring you closer to the City of Lights. Paris has lost none of its sparkling allure over the centuries for those who love fine cuisine, beauty and romance. Visit old favourites like the Eiffel Tower, Notre Dame, the Musee d'Orsay or Jardin du Luxembourg, or take a leisurely walking tour of the Left and Right Banks.

London, England

Get closer to the heart of London as Azamara's smaller ships sail up the River Thames. In 2012, we invite you to join Azamara for a very special event – a trip to the Chelsea Flower Show, the world's most famous garden event. Sponsored by the Royal Horticultural Society, Chelsea is a place to view spectacular gardens and to rub elbows with English society at the beginning of the traditional social season.

Skagen Music Festival and The North Sea Jazz Festival

July brings the month-long Skagen Music Festival to Denmark, attracting folk musicians and fans from all over the world. You can enjoy the performances while spending the night in port with Azamara. Is jazz more your style? Then you'll want to attend the North Sea Jazz Festival in Rotterdam. This three-day showcase in The Netherlands features the giants of jazz as well as dozens of modern young jazz artists.

Jazz in the Fjords

Norway's stunning fjords and deep cool waters provide a brilliant backdrop for the Molde International Jazz Festival, a renowned annual gathering of jazz musicians that dates back to 1961. The six day festival always includes some wonderful surprises. See and hear it with Azamara.

Bordeaux, France

The port city of Bordeaux is the gateway to a wine lover's paradise. Tour vineyards in Sauternes and Graves, sample wine in a stone chateau, and learn about the terroir that makes this region unique. Azamara's smaller ships sail farther upriver so you'll be within walking distance of Bordeaux's beautifully restored city centre and its fine cuisine and nightlife.

Amalfi Coast, Italy

Turquoise waters, cascading gardens, pastel villages, and stunning vistas – there's no place like Italy's Amalfi Coast. With an overnight stay, you'll have time to explore the caves along the shore, take a 'walk among the clouds' between Positano and Amalfi, and visit Ravello, a town that has lured artists and composers for over a century.

Safaga, Egypt (Luxor)

Let Azamara introduce you to the riches of Luxor, the 'world's greatest open air museum'. On its West Bank, Luxor is home to the Karnak Temple, the largest ancient religious complex in the world. You can walk the Valley of the Kings and visit the colourful tombs of the Pharaohs before returning to the East Bank, where you'll learn about the ancient city of Thebes as you explore Luxor Temple.

Petra, Jordan

Built before 1200BC, Petra wasn't discovered by westerners until the early 1800's. Now a World Heritage site, this stunning city carved into rose-red rock walls is filled with ancient tombs, temples and an amphitheatre, all once sustained by an ingenious system of water conduits and dams. Follow the winding paths through sandstone walls to see everything this wonder has to offer.

Bangkok, Thailand

Azamara's ships are small enough to sail up the bustling Chao Phraya River and dock within close proximity of Bangkok. With up to three days in port, you'll have time to explore Bangkok's storied temples and palaces, exotic cuisine, and sizzling nightlife. Extend your experience with an overnight visit to legendary Angkor Wat.

Hanoi (Halong Bay), Vietnam

Legend has it that Halong Bay's three thousand islands are jade and emeralds that dragons exhaled to protect the coast from invaders, and you just might believe it as you sail through other worldly limestone karst islands and floating fishing villages. In Hanoi, experience a fusion of cultures in French inspired colonial architecture and in the maze of streets known as Old Town, a sensory explosion of sights, sounds, tastes and craft-guild shopping.

Taipei, Taiwan

Nestled against the mountains of Wulai, Taipei is a tropical city that is also the economic and cultural capital of Taiwan. Don't miss the National Palace Museum, which houses one of the world's best collections of ancient Chinese art and artifacts. In Hualien, you'll have time to visit Taroko Gorge, a breathtaking 19 kilometre marble canyon that rises from sea level through subtropical canyons to conifer forests.

Kotor, Montenegro

On Azamara's smaller ships, you'll reach Kotor after a 75 minute cruise through the Bay of Kotor, southern Europe's deepest and perhaps most beautiful fjord. Once part of the Roman Empire, Kotor is distinguished by cobble stoned streets, red tiled roofs, and thousand year old churches. Explore the ancient wall that wraps around the city, and extend your enjoyment with an Azamara biking or walking tour.

Paros, Greece

Spend a day in lovely Paros, an island in the Greek Cyclades known for beautiful beaches, unspoiled narrow alleys, and taverns featuring fine local cuisine. Don't miss a walk along the Byzantine Road, a paved footpath of marble stones that dates back to Roman Christian times. Rest beneath olive trees, enjoy the marvelous views, and smell the sage and thyme as you imagine yourself in another era.

Istanbul, Turkey

As you sail into Istanbul you enter a most historic place – the former capital of four empires, Europe's second largest city, and the link between Europe and Asia by way of the Bosphorus Bridge. Explore Istanbul's rich history at sites including the Hagia Sophia and the Blue Mosque. And don't miss this city's incredible restaurants and nightlife, where east and west merge.

This invoice will show the balance due on your holiday that still has to be paid and also your flight details (where applicable and/or available).

Please check all details are correct as soon as you receive your Confirmation Invoice, cruise documents, flight tickets and any other documents from your Travel Agent or us. If any details appear to be incorrect, you must inform your Travel Agent or our Reservations department if booking direct within 7 days of us sending the document to your Travel Agent or you for all documents other than flight tickets and e-tickets and within 3 days for flight tickets and e-tickets. Once your airline tickets have been issued, all ticket coupons must be used in sequence as originally booked. Any flight sector not utilised will invalidate the ticket and the rest of the itinerary will automatically be cancelled.

Cruise Tickets

Your electronic cruise documents are emailed directly to you or to your travel agent as early as 50 days prior to your sailing. We no longer issue paper tickets. Your reservation must be finalised and paid in full in order to receive your documentation.

3. Paying For Your Cruise

Deposits

We will require a deposit to secure your booking within 7 days of making your booking (or full payment if booking within 70 days of departure). On some cruises the deposit may be required on the day of booking or within 1-7 days of making the booking. After this time if your deposit has not been paid then your booking will be automatically cancelled.

- A deposit of AU\$900 per person is required for all cruises
- A non refundable service fee of AU\$50.00 per person must be paid on top of your cruise deposit to secure your flights and airfare for international departures. Some airfares may require full payment at time of booking, which may be non-refundable. If airfare payment is due prior to the cruise payment schedule, you will be advised at the time of booking. Airline taxes are subject to change until airfares are paid in full.

Final Payment

We must receive the balance of the cruise cost and/or flight costs (after deducting the deposit you have paid) not less than 70 days before departure unless you book 70 days or less before departure, in which case you must pay the total cruise cost at the time of booking. If we have not received all monies due to us in full and on time, we are entitled to assume that you wish to cancel your cruise and cancellation charges as set out below (see clause 30, Cancellations & Refunds) will apply.

A service charge of up to 3% will apply for all payments made to us by credit card. When using your credit or debit card to pay us directly for your cruise, please be aware that we may process that transaction via a bank outside of Australia and your card issuer may choose to charge you a foreign processing fee. We advise you to check the terms and conditions of such foreign transactions with your card issuer in advance of making a payment to us. All money you pay to a travel agent (whom we have authorised to sell our cruises) for your cruise with us will be held by the travel agent on our behalf until the money is paid to us. If you are unable to complete the online check-in process, this may be due to an outstanding balance on your booking. If you have booked via a travel agent, please speak to your travel agent so that the funds can be transferred to us to complete your online check-in.

5. Pricing & 'Guarantee' Bookings

Brochure Pricing

The prices quoted in this brochure show the lowest price ("Prices from") available on a specified sailing date as shown in each price panel. The price will vary by ship, itinerary, sailing date and stateroom grade. Where there is more than one departure date shown for the same cruise itinerary then the prices provided in this brochure are the minimum prices available for the lowest priced of the multiple departure dates. To find out the price for your chosen cruise, sailing date and stateroom grade contact your travel agent or visit www.AzamaraClubCruises.com

'Guarantee' (GTY) Bookings

From time to time, we may offer you the option of making what we call a 'Guarantee' (GTY) booking. This means you may book a stateroom of a guaranteed category type (Club Interior, Club Oceanview, Club Verandah or Club Suite) on your chosen ship and cruise. However, the exact grade, number and location of the stateroom on the ship will be allocated by us (at our discretion) and at any time up until checking in at the Port. Once your GTY stateroom has been allocated to you, we are unable to accept any changes requested by you. The benefits to you of a GTY stateroom are that after your booking has been confirmed, we may (at our discretion) upgrade your stateroom to one of a superior category that originally booked at no extra charge to you. In any event, you are 'guaranteed' the minimum category of stateroom we agree to offer at the time of booking. At times, we may offer promotional GTY offers.

Such promotional GTY categories are defined as follows:

- W** Club Suite
- X** Club Verandah stateroom
- Z** Club Oceanview stateroom
- Y** Club Interior stateroom

Please note: If you book 2 or more cruises to be taken consecutively (back to back) and either one or all cruises are booked under a GTY basis, you may be allocated different staterooms on each cruise, therefore necessitating the need to move between staterooms on the changeover day between your consecutive cruises.

Onboard Credits

From time to time we may offer Onboard Credit promotions. An Onboard Credit is a monetary amount in US Dollars which is applied to your onboard account for onboard purchases. Some Onboard Credits may not be combinable with other offers, please check the offer with your Travel Agent or our Reservations Centre. Any unused portion of the Onboard Credit will expire at midnight on the last night of your cruise and is not redeemable for cash at any time. Onboard Credit is not transferable between any cruises, including consecutive cruises.

6. 50% Off Savings

50% Off savings are available on all 2012/2013 voyages, and are based on Brochure Rates as shown on pages 26 and 27, as well as on www.AzamaraClubCruises.com/offers2012. Each guest will receive 50% of the full Brochure Rates in the reservation. Pricing is based on double occupancy, supplements apply for single occupancy or additional passengers sharing a stateroom.

7. Consecutive Cruises Savings

Consecutive Cruise savings shown below are per voyage when booking consecutive Azamara Club Cruises voyages. The Consecutive Cruise program is combinable with most other offers. Savings are in Australian Dollars, per stateroom, and based on double occupancy. Please note that savings will be removed from both bookings if one voyage is cancelled. The program is subject to change without notice, and may be withdrawn at any time. This offer is not valid for charter or contracted group bookings. No action is required at time of booking; savings will be applied directly by Azamara Club Cruises.

	8 Nights or less	9 Nights or more
# of Voyages	AU\$350 per stateroom	AU\$450 per stateroom
2	AU\$700	AU\$900
3	AU\$1,050	AU\$1,350
4	AU\$1,400	AU\$1,800

8. Consecutive Cruises

Consecutive cruises

Consecutive cruises are two or more cruises taken immediately after one another (back to back) on the same ship. Please note that there may be duplication of onboard programmes, menus and entertainment. Please also note that due to the preparation of the ship between sailings, some shipboard facilities may not be available on changeover day. On the changeover day, it may be necessary for you to disembark the ship in order to comply with customs & immigration and to re-register your Azamara KeyCard for the new sailing. It may not be possible to retain the same stateroom on consecutive cruises.

Consecutive cruises are treated as independent cruises for the purposes of payment of deposits, balance due dates and cancellation charges. Onboard Credit offers are not transferable between any cruises, including consecutive cruises.

Jones Act – USA Consecutive Cruises

Please note that due to restrictions under the U.S. Passenger Vessels Services Act (Jones Act), we cannot accept reservations for consecutive itineraries that begin in one U.S. port and conclude in a different U.S. port. In the event such an itinerary is booked, Azamara Club Cruises reserves the right to cancel one of the cruises at the guest's expense and/or the guest shall be responsible for any and all Jones Act fines that result due to such booking.

Full breakfast is available to be served between 6:30 am – 10:00 am in guests' staterooms. Guests should notify their stateroom attendant the night before by filing out the breakfast request form and placing it on the mail clip outside their suite/stateroom door. In addition, suite guests may order room service from the restaurant menu during restaurant luncheon and dinner hours.

Special dietary requirements

Guests must notify us of any dietary requirements at time of booking. If you have any special dietary needs, Azamara Club Cruises can accommodate the following special dietary needs: food allergies, gluten free, vegetarian, diabetic, low-fat, low-sodium, and low-cholesterol. Other special diets such as Kosher and lactose-free meals may be available upon advanced request.

Note: Koshar meals are pre-packed and are only available for dinner in the main restaurant. Azamara Club Cruises does not provide baby food.

To accommodate special services or requirements such as dietary requirements, medical requirements, pier embarkation assistance, wheelchair use etc., Azamara Club Cruises requires the information in writing 45 days prior to the sail date. However, Koshar meal requests must be supplied in writing 100 days prior to sail date for sailings in Australia/New Zealand and Asia; 90 days prior to the sail date for sailings in Europe and South America and 45 days prior for sailings in North America. Any dietary requirements caused by medical conditions must be advised to us at the time of booking. Please note that whilst we are able to take requests for specific dietary requirements and take note of food intolerances, this is confined to the main restaurant on each ship. We are unable to guarantee or accept responsibility that the food served in any other food establishment on board our ships will be able to cater for specific dietary requirements and food intolerances.

Other special requests

If you have a special request please give details in writing to your travel agent at the time of booking. Special requests cannot be guaranteed. Whilst we and our suppliers will endeavour to meet reasonable special requests, we regret we cannot guarantee that we/the supplier will be able to do so. Not meeting any special request for any reason will not be a breach of contract on our part. If a special request can only be met at an additional cost, that cost will either be invoiced to you prior to departure or will be payable locally by you.

Unless specifically agreed by us in writing at the time of booking, we cannot accept any booking which is conditional on a special request being satisfied. Such bookings will be treated as 'normal' bookings subject to the above comments on special requests.

10. Travelling in a Group

Travelling in a group

Discounts and free places may be available when travelling in a group of 10 or more passengers. Please consult your travel agent for more information. Note that terms and conditions for those travelling in a group are different to those which apply to individual bookings.

Common Interest Groups

From time to time we may invite various affinity groups of people onto our ships. Affinity groups are people with shared interests who choose to travel together. This may include on dates when you are sailing with us. Although we envisage that this will not affect the overall normal day-to-day operation of the ship, there may be occasions when certain facilities are unavailable to you whilst these groups are onboard.

11. Alcoholic Beverages Policy

We will not sell or serve alcoholic drinks to anyone less than 21 years of age. However, on cruises departing from European, South American, Asian countries and from Australia/New Zealand where the legal drinking age is typically lower than 21 years of age, a parent/legal guardian who is sailing with the person aged between 18 to 20, may sign a waiver allowing the 18 to 20 year old to buy and consume alcoholic beverages. Only a parent or legal guardian may sign this waiver and there are no exceptions to this policy. The 18 to 20 year old must agree to comply with Azamara Club Cruises policies, including among other things, agreeing to not provide alcoholic beverages to any other person, regardless of their age. Restrictions apply, and this policy is subject to change without notice. An individual's age on the date of sailing determines his or her status for the entire cruise. Alcoholic beverages that are purchased from onboard shops will be stored by the ship and delivered to guest staterooms on the last day of the sailing. Alcohol will not be delivered to any guest under the age of 21. Security may inspect containers (water bottles, soda bottles, mouthwash, luggage etc.) and will dispose of containers holding alcohol.

Azamara Club Cruises Guest Conduct Policy may be enforced, up to and including disembarkation, if a guest violates any alcohol policy.

Guests who violate any alcohol policies, (over consume, provide alcohol to people under the age of 21, demonstrate irresponsible behaviour, or attempt to conceal alcoholic items at security and/or luggage check points or any other time), may be disembarked or not allowed to board, at their own expense, in accordance with our Guest Conduct Policies. Guests under the age of 21 will not have alcohol returned to them. Azamara Club Cruises is committed to the responsible service of alcohol and reserves the right to revoke or otherwise restrict the service of alcohol to any guest, regardless of age.

If a guest reaches a birthday that will change their adherence to our alcohol policy, they may visit the Guest Services Desk on that day and on showing their passport as proof of age, their records will be updated to allow them to purchase and consume alcohol, as long as the other requirements of our alcohol policy are met.

Please note: due to Spanish regulations, we are not permitted to sell alcohol or cigarettes on board in the duty free shops on selected sailings which depart from Spain. Restrictions apply and this policy is subject to change without notice.

12. Health Requirements

Health Requirements

Please contact your doctor for advice and the most up-to-date health requirements for all destinations featured in this brochure at least 8 weeks prior to travel. Further information may be obtained from the World Health Organisation at www.who.int

Pregnancy

Azamara Club Cruises welcomes pregnant guests but will NOT accept guests who will enter their 24th week of pregnancy by the beginning of, or at any time during their cruise. All pregnant guests are required to bring a doctor's fit to travel letter with them to the pier, stating the number of weeks pregnant at date of sailing and that they are not a high risk pregnancy. A copy with your booking number included, should be sent to Special Services at special_needs@azamarclubcruises.com, in advance of sailing. Please check our website for full details. Please check our website for full details.

13. Minimum Age to Travel

Infants sailing on a cruise must be at least six (6) months old as of the first day of the cruise, or twelve (12) months old for as of the start of the cruise for Transatlantic, Trans-Pacific, Hawaii, selected South American cruises and other selected cruises/cruisets. For cruises with 3 or more consecutive 'sea days' (where the ship is not in port, including days spent 'scenic cruising') infants must be at least 12 months of age on the first day of the cruise. In consideration of the limitations of the shipboard medical facility, equipment and staff, the company cannot accept waivers, releases or requests for exceptions to this policy.

No person under the age of twenty-one (21) (a 'minor') may book or sail on any cruise holiday or have a cabin on his or her own unless accompanied by a parent or guardian or authorised person who is over the age of twenty-one (21), except for minors sailing with their parents or legal guardians in adjacent cabins. Any minor who is not travelling with at least one of their parents/legal guardian(s) will only be permitted to board the ship and undertake the cruise if accompanied by a person(s) over the age of twenty-one (21). For minors aged 17 or under at the start of the sailing, written authorisation from a parent/legal guardian must be provided. For minors 18, 19 or 20 years of age at the start of the sailing authorisation is not required.

Adults who are not the parent or legal guardian of any child travelling with them are required to present the child's valid passport and applicable visa (or for domestic Australian sailings a certified copy of child's birth certificate) and an original legally affirmed or notarised letter signed by at least one of the child's parents/legal guardians. The letter must authorise the travelling adult to take the child on the specified cruise and must authorise the travelling adult to supervise the child, sign applicable sports waivers and permit any medical treatment that must be administered to the child which in the opinion of the treating doctor needs to be carried out without delay.

A letter can be legally affirmed or notarised by a practicing solicitor, notary or commissioner for oaths who may charge a fee for this service. If such evidence is not produced, the minor(s) concerned will not be permitted to board the ship or undertake the cruise.

We will not be responsible for any costs, expenses or losses suffered as a result either by the minor affected, the person(s) paying for their cruise (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the holiday as a result of the failure to produce a letter of authorisation as set out above. We will not pay any compensation or give any refund to any minor who we have not permitted to board the ship, any person paying for the minor's holiday (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the cruise themselves as a result of the failure to produce a letter of authorisation. Please note that parent(s)/legal guardian travelling with a child who has a different surname to the parent(s)/legal guardian, will be required to produce official proof such as a full birth certificate/divorce papers etc to prove that they are the parent(s)/legal guardian of the children concerned.

Individual staterooms can be booked by married couples whose minimum age are eighteen (18) (proof of marriage is required at time of booking).

On board there are certain facilities where entry is restricted by age. Persons using the spa must be over the age of 18. Full details of onboard facilities with age and height restrictions are contained within the Daily Programme, which is available from the Guest Relations Desk.

14. Activities for Children & Infants

Azamara Club Cruises accepts guests from the minimum age to sail, but discourages families from sailing with children under 18 years of age, as the onboard ambience and experience caters to adults and there are no dedicated activities for children or baby-sitting services available.

15. Guests with Special Needs

You must ensure that you are medically and physically fit for travel, and that such travelling will not endanger yourself or anyone else. At the time of booking (or as soon as possible if the condition arises after booking) you must tell us or your travel agent in writing about any medical or physical condition which will or may require medical treatment or attention during your holiday or which may or will affect your holiday in any way (including your use of any services or facilities). Please provide as much information as possible. Most of our ships have selected staterooms designated for guests with physical disabilities. Please contact our Reservations Department for further information. Guests who use wheelchairs must provide their own collapsible wheelchair and may find certain areas of the ship inaccessible. If you would like to bring a motorized wheelchair or scooter on board you must contact our Reservations department at time of booking to provide the dimensions as size limitations may apply and we may not be able to accommodate this request. Certain conditions (for example, use of tenders or some shore excursions) may prevent guests with wheelchairs from going ashore at certain ports of call. Guests affected by a disability or medical condition must be self-sufficient or travel with someone who can provide all necessary assistance. We regret we must reserve the right to refuse to allow anyone to travel who, in our reasonable opinion, is physically or mentally unfit to travel or will or may require care beyond that which any travelling companion or we ourselves can reasonably provide.

16. Visas & Passports

For all sailings a valid passport and appropriate visa will be required for all Guests. You are responsible to ensure that you have all necessary visas and that your passport is up to date and will remain valid for at least 6 months from the date of the termination of your cruise. Please check the applicable passport and visa requirements (including multi-entry visa requirements and for additional visa photos) with the embassies of the countries you will be visiting during your cruise, or check the up-to-date position with your travel agent in good time before departure.

Guests who do not possess the proper documentation may be prevented from boarding their flight or ship or from entering a country and may be subject to fines. No refunds will be given to individuals who fail to bring proper documentation. We regret we cannot accept any liability if you are refused entry onto any flight or into any country or otherwise suffer any difficulties or incur any costs as a result of not having an acceptable passport or any required visa(s). Certain Port Authorities may from time to time ask to see photo identification when you depart the ship during the cruise. We strongly suggest that you take a photocopy of your passport (in addition to your passport itself) with you on holiday and carry the photocopy with you each time you depart the ship in order to minimise any inconvenience this may cause.

17. Checking In

For your convenience we offer a check in facility on our website. By checking in online for your cruise, you will significantly speed up your check-in process and will be able to board the ship sooner and avoid delays and queues at the cruise terminal.

To check in online, go to www.AzamaraClubCruises.com, click on 'Communities – My Account', then 'Online Check-In'.

If you have checked in online, bring your signed SetSail Pass and identification documents with you to the cruise terminal. Proceed to the SetSail area where one of our guest assistance agents will verify your identification documents and issue your KeyCard card to board the ship.

If you have not checked in online, bring your cruise documents and your identification documents to the cruise terminal where one of our guest assistance agents will process your cruise documents, verify identification documents, check you in for your cruise, issue your KeyCard card and direct you to the ship.

Your stateroom attendant will deliver your luggage as soon as possible after boarding. We recommend that items such as medicines are packed in your hand luggage.

Please note: all guests must be checked-in and onboard the ship no later than 90 minutes prior to the published sailing time or they will not be permitted to sail. If you are not on board at least 90 minutes before the ship's scheduled sailing time, we are entitled to assume that you do not intend to travel. Your booking will then be cancelled, 100% cancellation charges will be payable and no refund will be made. Please note, for security reasons, you will not be permitted to bring any visitors on board the ship in any port.

18. Onboard Purchases

Onboard currency

The currency used on board all Azamara Club ships is US Dollars.

Your onboard account

All Azamara Club ships operate on a 'cashless' system. When you check in you will receive a KeyCard account card and all purchases made onboard the ship are made using this card. At the end of the cruise you will receive a statement summarizing the charges on your account. To settle your account we require you to register your credit card at check in. As all onboard accounts are payable in US Dollars, your credit card provider or financial institution may levy a foreign exchange transaction fee. Please note that when paying by credit card we obtain daily authorisations from your bank or financial institution, in some cases these may be held for up to 10 days for credit cards and 30 days for debit cards, after your cruise ends and will show as a pending/pre-authorisation transaction. For this reason we do not recommend the use of Debit Cards. Our ships do not accept Australian bank issued foreign currency cards if these do not contain your name either printed or embossed on the front of the card.

Azamara KeyCard accounts may be settled in cash. We cannot accept personal cheques and any currency other than US Dollars. A cash machine is available on all Azamara Club ships which dispenses US Dollars (US\$5 fee per transaction will be levied for this service), and Euros (€6 fee per transaction) for European sailings.

19. What to Wear/Pack & The Weather

What to wear

Planning what to wear on your cruise holiday is easy. You should keep in mind three types of clothing: casual shipboard attire or day wear; conservative resort wear for sightseeing or shopping; and evening wear.

Appropriate attire onboard Azamara Club Cruises is always resort casual; there aren't any scheduled formal nights. However, guests should always feel comfortable in wearing formal attire if they so desire. No bare feet, tank tops, caps, bathing suits, or jeans are allowed in the dining room or specialty restaurants. Additionally, no tuxedo rentals will be available onboard. Here are a few general tips: We recommend low-heeled, comfortable soles for walking around the ship during the day; pack a couple of swimsuits you'll always have a dry one; ashore you will need comfortable walking shoes, as well as a hat and sunscreen. When visiting museums, mosques, temples and churches it is appropriate (and in many cases mandatory) to dress conservatively. Women should wear trousers or skirts that cover the knees, bare shoulders and sleeveless tops and shorts are often not permitted. If your cruise takes you to Northern Europe we suggest you also pack a jacket and a couple of sweaters.

Examples of resort casual attire:

- Women**
 - Casual dresses, skirts, trousers,
 - Light fabrics such as linen, cotton and silk
- Men**
 - Trousers, shirts, polo-type or button-down shirts, sweaters, jackets/windbreakers, blazer (if desired, but not required)
 - Light fabrics such as linen, cotton and silk

What not to pack

For the safety of our guests, the following items are not allowed on board our ships: irons, coffee makers, candles, illegal drugs, flammable liquids, explosives (such as fireworks), weapons (including knives, regardless of length) and electrical transformers. If connecting by air, please refer to your airline for carrier restrictions. **The Weather** Our cruises encompass a variety of continents and destinations and therefore the weather in each region will vary. Some of the destinations visited are tropical and may experience heavy

Tenders

In some ports the ship will anchor offshore and use smaller boats which will hold around 100 people (known as tenders) to transport guests to shore. Guests will go to a tender platform from which you will board the tender. On occasion and due to operational reasons, it is necessary for us to switch from a docked port of call to a tender:

27. Shore Excursions

To get the most enjoyment out of your visit to a port of call, we recommend you select one of our shore excursions, which have been planned by our travel experts and are recommended by the authorities for the particular ports. To ensure you do not miss out on your chosen shore excursions, we strongly recommend that you visit our website www.AzamaraClubCruises.com. (Click on 'Plan Your Voyage' then 'Land Explorations') to view excursions available for your sailing and to pre-book your place. These must be booked and pre-paid at least 5 days prior to your sailing date. As places are limited we recommend you book early to avoid disappointment. Alternatively you are free to explore and make your own arrangements at each port of call, travel documents permitting. The staff at the Shore Excursions Desk on board will be happy to provide you with information and book your excursions. The cost will be charged to your Azamara KeyCard account. Please note some excursions are subject to minimum numbers requirements and may be cancelled if these requirements are not met. Proof of certification is required for all scuba tours. Subject to our Booking Conditions, Azamara Club Cruises is not responsible for any injuries or losses sustained whilst guests are ashore, whether on organised excursions or otherwise.

The information contained in our brochure is correct to the best of our knowledge at the time of the brochure going to print. Our brochure descriptions may refer to activities, which are available in the ports you are visiting. We have no involvement in any such activities, which are neither run, supervised nor controlled in any way by us. The shore excursions are provided by local operators who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/centres and/or assist you in booking such activities in any way. Accordingly, we cannot accept any liability in relation to such activities and the acceptance of liability contained in clause 41 of our Information, Terms and Conditions does not apply to them. We cannot guarantee accuracy at all times of information given in relation to such activities or about the resorts/area you are visiting generally (except where this concerns the services which will form part of your contract) or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities mentioned in our brochure, which are not part of the contract, are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation in regard to those activities. If after the time of printing of this brochure, we become aware of any material alterations to resorts/area information and/or such outside activities, which can reasonably be expected to affect your decision to book a holiday with us, we will do our best to pass on this information at the time of the booking. Please note that we may be able to offer shore excursions for those guests with limited mobility; however, different charges may apply. Please contact our Special Services Department by email at shoreaccess@azamaradclubcruises.com at the time of booking.

28. Disembarkation

At the end of your cruise

The Cruise Director will give detailed instructions about disembarkation and clearing customs & immigration during the departure talk on the last day of the cruise. We strongly recommend that you attend this important and informative talk. You can also view this talk on your stateroom TV. Azamara Club Cruises has no control over the length of time it may take for customs & immigration clearance.

Luggage at the end of your cruise

On the last night of your cruise you will need to pack your suitcases and place them outside your cabin door by midnight. Your cabin steward will give you coloured tags for each piece of luggage. Please put your name and home address on each tag and remove all loose straps from your bags. The colour of your luggage tag will determine your departure time from the ship and your luggage collection point on shore. Carry fragile, important and valuable items with you in your hand baggage (including travel documents, identification documents, jewellery, cameras and any medication required by you) pending the re-delivery of your suitcases to you.

On the morning of disembarkation, you will proceed through customs & immigration, collect your luggage and continue with your onward travel arrangements. It is our guests' responsibility to remove all of their belongings from their cabin when they depart their cruise. If an item is left onboard, whilst we will assist you in trying to recover the item, if we are unable to do so then we cannot be held responsible and we will refer you to your travel insurance to make a claim for the item. Please note that items left behind may be destroyed.

29. Travel Arrangements Home

Azamara Club Cruises can arrange domestic and international flights to connect with your cruise. If we are not arranging flights for you, please consult your Travel Agent on the most appropriate flight times, ensuring that you allow sufficient time both prior to embarkation and following disembarkation.

30. Information Required From You

We may be required to pass on to immigration authorities, airlines and/or possibly other authorised bodies, certain personal details relating to our guests. You must provide the relevant details at the time of booking your cruise or no later than 70 days prior to your departure, whichever is the later. This information includes certain personal information, passport, emergency contact and insurance details. We will inform you at the time of booking, or as soon as we become aware, of the exact details required. We recommend you visit our website at www.AzamaraClubCruises.com and click on 'Communities – My Account', then 'Online Check-in' and submit these details online. You will need to have your booking ID and date of sailing to hand or, if we have already received this information from you at the time of booking, verify that the details we are holding are complete and accurate. Our procedures may change from time to time and we will inform you of any changes at the time of booking or as soon as possible thereafter. If you fail to supply the details requested, both fully and accurately, you may not be permitted to board your cruise ship and/or outward and/or return flight. We will not accept any liability in this situation and we will not pay you any compensation or make any refunds. You will also be responsible for your onward/return travel arrangements. If failure to have this information results in fines, surcharges or other financial penalty being imposed on you, you will be responsible for reimbursing us accordingly. Please also see Privacy Statement on page 45.

31. Price Changes (Cruises)

We guarantee that we will not increase the price of your confirmed cruise once we have received full payment of the total cruise price from you or your travel agent. However, we may increase or decrease the prices of unsold cruises at any time.

The price of your chosen cruise will be confirmed at the time of booking. After your booking is confirmed but before full payment is received, we will only increase the price if there is an increase in the cost of any transport included in the price and/or in any dues, taxes or fees payable for any services (for example, port taxes or charges of any sort). We will not ask you to pay more within 30 days of departure. In addition, we will pay the first part of any such increase(s) in costs up to a total amount equivalent to 2% of the cost of your confirmed cruise (excluding any insurance premiums and amendment charges). Only if any such increase(s) exceeds this 2% will we ask you to pay more. If any additional amount we ask you to pay is greater than 10% of the total cost of your confirmed cruise (excluding any insurance premiums or amendment charges), you will be entitled to cancel your booking.

If you cancel your booking, you will then be sent a full refund of all monies you have paid to us for your cruise, except for any insurance premiums and amendment charges. We will tell you about any increase in the cost of your cruise by sending you or your travel agent a surcharge invoice. You will have 14 days from the issue date printed on that invoice to tell us in writing that you want to cancel. If you do not advise us in writing that you wish to cancel within 14 days, we shall assume you are prepared to pay the additional amount.

Any such additional amount must be paid with the balance of the cost of the cruise or within 14 days of the issue date printed on the surcharge invoice, whichever comes first.

From time to time we may release special offers on some cruises. If you wish to change your booking to take advantage of these offers then you will have to cancel your existing booking, whereupon our standard cancellation policy (including charges) will apply. We reserve the right to charge an administration fee of AU\$100 per person to make any such changes.

32. Cancellations & Refunds

Cancellations and refunds

If you or anyone travelling with you wishes to cancel your/their cruise or flights, you must immediately give notice in writing to us or your travel agent so that your agent can give us notice of cancellation on your behalf. The cruise and flights will only be deemed cancelled from the date we actually receive written notice of cancellation from you or your travel agent. Insurance premiums and/or amendment charges cannot be refunded in the event of cancellation.

Cancellation of cruise

The following cancellation charges will then apply to your cruise.

All Cruises & Cruisetours (Cruise Portion Only)	
Days Prior to Cruise Departure	Cancellation Charges
151 or more days	deposit is refundable
150–71 days	loss of deposit
70–46 days	25% of fare*
45–31 days	50% of fare*
30–15 days	75% of fare*
14 days or less	100% of fare*

*In instances where the deposit amount paid is higher than the 25/50/75% of cruise fare cancellation charge, then the highest of the two amounts is payable as the cancellation charge, i.e. the full deposit amount is retained.

Cancellation of flights

All flights cancelled will incur a cancellation charge of AU\$50.00 per person plus any airline cancellation charges. In some cases these could be the full cost of the airline ticket. Please contact your travel agent or speak to our Air/Sea Department for your flight cancellation charges as they vary by airline, destination and fare type.

Other cancellation policies

Depending on the reason for your cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your travel insurance policy. Claims must be made directly to the insurance company concerned. Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate your holiday cost and re-invoice you accordingly. Any such invoice must be paid within 7 days if rendered within 70 days of sailing (90 days in the event of holiday sailings). In all other instances invoices for any such cost increases must be paid within the time frame stipulated for the payment of the balance due on the original booking. In the event that any cost increase to a booking due to a cancellation is not paid within the time limit specified, we reserve the right to cancel the booking and in those circumstances, normal cancellation charges will apply.

Travel agents may impose their own charges in connection with a cruise (for example service fees) and may impose their own cancellation fees. Any charges or fees of this nature are a matter strictly between the guest and their travel agent.

33. Changing Your Booking

Subject to clause 31 (Price changes) and availability, some changes (excluding changes to ship or sailing date) can be made to your booking. You may request changes via your travel agent up to 45 days before departure. We will make every effort to meet your change request; however, we cannot guarantee that we will be able to make any requested change. Up to 45 days before departure an administration fee of AU\$50 per booking will be payable for each change requested. If you request a change within 45 days of departure, this will be treated as a cancellation of your original booking and cancellation charges as set out in these terms and conditions will be payable. The changed arrangements will then be treated as a new booking.

If you or any of the people travelling with you are prevented from taking the cruise you/they may give your/their place on the booking to someone else (suggested by you). In this situation, providing we are given not less than 14 days notice in writing of your wish to make the change, we will permit the name change on payment of an administration fee of AU\$50. A maximum of only one passenger name may be changed per stateroom. You must produce documentary proof of the reason for the transfer with the request (e.g. a letter from a doctor). You must ensure that the administration fee and any charges/ costs – as well as any amount which is still due to be paid for the cruise – are paid in full as required. We reserve the right to cancel the booking if any charges remain outstanding.

34. Travel Insurance

All guests must obtain appropriate personal travel insurance at the time you book your cruise, which includes a minimum cover for the cost of cancellation of your cruise, the cost of assistance including repatriation in the event of an accident or illness, and the cost of medical treatment in the onboard medical centre. All services provided by the onboard medical centre (including medication, consultations and treatments) are not covered by private health insurance policies or by Australian Medicare and the New Zealand Accident Compensation Corporation (including cruises sailing to only ports within Australia and New Zealand). We recommend that you contact your travel agent or an independent insurance broker for details of suitable policies.

35. Luggage & Personal Belongings

Luggage allowance

The maximum luggage allowance for guests boarding our ships is 90kg per guest, however, airlines also impose their own luggage allowance, with which you must also comply, and this is usually less than the cruise allowance. There are always restrictions on the amount, size and weight of the luggage you may take on any flight, in particular where we are using non-scheduled services. We strongly recommend that you check with your airline directly for confirmation of your baggage allowance as allowances vary by airline and excess luggage fees may apply. In some instances baggage allowances can be limited to as little as 15kg. All luggage allowances are subject to variation by the airline concerned and you may be charged additional costs by the airline for excess luggage.

Personal belongings

Please make sure that all valuable and important items (for example, medicines, jewellery, fragile items, important travel and other documents, video/camera/computer equipment) are carried by hand and not packed in your luggage or left unsecured in your stateroom or elsewhere onboard ship. Special care must be taken of such items.

For your protection once onboard, all valuable and important items should be deposited with the Guest Relations Desk or, where available, in your

stateroom mini-safe. You are also strongly advised to take out appropriate and adequate insurance to protect such items. We cannot accept any responsibility or liability for any valuable or important items which are not deposited with the Guest Relations Desk for safekeeping. For items which are so deposited, the most we may be liable to pay for any item(s) is lost or damaged (for any reason) whilst in our care is AU\$1,500 per guest, per cruise.

Banned items

You must not pack in any luggage or bring onboard any item specified as dangerous or illegal (e.g. guns, explosives, drugs, animals, flammable items, etc.). In addition, we may specify other items which you must not bring with you and may also refuse to allow you to take onboard any item which we consider to be inappropriate. If we or the Master of the ship have reason to believe that any stateroom may contain any item or substance which should not have been brought onboard, the Master or an authorised Officer has the right to enter and search the stateroom concerned and seize any such item or substance. **Special Notice:** Due to the new enhanced airport security measures, please ensure that any sharp items, including but not limited to scissors, razor blades, nail clippers, tweezers and knitting needles, are packed in your check-in luggage and not in your hand luggage.

36. Lost, Delayed or Damaged Property

Lost, delayed or damaged property

This clause applies in relation to any loss, delay or damage to property which occurs during your cruise or whilst getting on or off the ship or whilst using any services provided or arranged by us, except for any claims in relation to any valuable or important items (see clause 35, Luggage & Personal Belongings). It is our guest's responsibility to remove all of their belongings from their stateroom when they depart their cruise. If an item is left onboard, whilst we will assist you in trying to recover the item, if we are unable to do so, then we cannot be held responsible and we will refer you to your travel insurance policy to make a claim for the item. Please note that items left behind may be destroyed.

If you discover the loss, delay or damage when onboard, you must immediately report it to the Guest Relations Desk. The time limits for notifying any loss, delay or damage, and the maximum amount which will be payable by us or the supplier concerned, are as follows: Any damage or delay, which is apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) before or, at latest, at the time of departure from the ship or, for other services, whilst using or at the end of using those services. Any loss, damage or delay, which is not apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) within 7 days of departure from the ship or the end of your using the service in question. If you can prove that the damage, delay or loss was our fault or the fault of the supplier of a service that we agreed to arrange as part of your holiday, we will compensate you for the loss or damage you can prove you have suffered as a result up to a maximum of AU\$1,100 per guest per cruise.

This will also be the case where any property is damaged, delayed or lost whilst not on board or getting on or off the ship but using other services (apart from air travel) which form part of the holiday we have contractually agreed to provide. In all cases, you must give us credit for payments you have received or will receive from any airline and/or other supplier in connection with your claim. You must also give us details of any relevant insurance coverage you hold.

In appropriate cases we are entitled to ask you to reduce your claim by the amount received from any/all insurance companies.

Lost, delayed or damaged luggage during air travel

Any damage, delay or loss suffered during any travel by air (including the process of getting on and off the aircraft) must be notified to the airline at the time of discovery or, in any event, in writing within 7 days of the end of the flight concerned for damage or loss or within 21 days of the luggage being made available for you in the event of delay. The maximum we or the airline will have to pay you in the event of any damage, destruction, delay or loss of luggage or property is the most which is payable under the relevant international convention or regulation. For most international flights, this will be the Montreal Convention 1999. Where the Montreal Convention 1999 applies, the maximum we or the airline will have to pay you at present for loss, destruction, damage, delay of luggage is the maximum payable under the Convention (currently approximately A\$1,700 per passenger) unless special conditions apply. The airline will not be liable to pay any compensation if the airline can prove that it took all reasonable steps to avoid the damage, delay or loss or that it was impossible for the airline or its employees to take such measures. In all cases, you must give us credit for payments received from any airline or other supplier in connection with your claim. You must also give us details of any relevant insurance coverage you hold. In appropriate cases we are entitled to ask you to reduce your claim by the amount received from any insurance company.

37. Changes to Cruise

Delayed departures and itinerary changes

We regret we cannot guarantee that ships will call at every advertised port or follow every part of the advertised itinerary. We and the Master of the ship have the right to omit any port(s), call at any additional port(s), deviate from the advertised itinerary in any way or substitute another ship or port. In addition, we will not be responsible for any failure to meet the arrival or departure times shown in this brochure for any port(s) of call. Normally, changes in the itinerary are to protect the interest and safety of our guests. Changes to the last confirmed itinerary for your cruise may become necessary after you have departed for a variety of reasons such as prevailing weather and sea conditions, guest emergencies, providing assistance to other vessels and the ship being unable to operate at its normal speed(s) due to unexpected mechanical or technical problems. We will of course do our best to avoid any changes which will have a significant detrimental effect on your last confirmed itinerary.

However, we cannot accept any liability in respect of any changes which result from circumstances outside our control (see clause 42) or which do not have a significant detrimental effect.

If we change or cancel your cruise

Occasionally, we have to make changes to and correct errors in the brochure and other details both before, and after, bookings have been confirmed and, even more rarely, cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we reserve the right to do so. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, we will offer you the choice of the following options for significant changes:

- accepting the changed arrangements, or
- purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. The price of any such holiday shall be applicable. This will mean you will pay more if it is more expensive or receive a refund if it is cheaper than your original holiday.
- canceling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us.

Please note, the above options are not available where any changes made are minor or insignificant.

Definition of a significant change in the context of these terms and conditions

A significant change is a change to your confirmed holiday which can reasonably be said to have a significant effect on it. Examples of significant and minor changes are as follows: Significant change: a change from two days port of calls to two days sailing instead.

Minor change: a change from one port of call to another; a change from one day's port of call to one day's sailing; a change in timings for any port(s) of call but the ship still calls at the port concerned; a change in order of ports that are visited. Very rarely, we may be forced by 'force majeure' (see clause 42) to change or terminate your holiday after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we regret we will be unable to complete assignments to us of the rights you have against the airline in relation to any compensation or meet any costs or expenses you incur as a result.

38. Eligibility to Travel & Guest Behaviour

Refusal of booking request or passage

To facilitate our ability to continue to provide safe and enjoyable cruises to our guests, we reserve the right to refuse to accept a booking request from an individual or group and reserve the right to cancel an existing reservation. If in our or the ship's Master or Doctor's reasonable opinion, you are or appear to be unfit to travel for any reason or pose a risk or danger to yourself or a danger to others or behave in such a way as to cause or be likely to cause danger, upset or distress to any third party or danger to property, we are entitled without prior notice to refuse to allow you to travel on any ship and to terminate your cruise holiday at any time. You may then be left at any port or place at which the ship calls without our incurring any liability. You will have to pay any costs, expenses or losses suffered as a result, and we will not pay any compensation or give you any refund. Once your holiday has been terminated in this manner, we will not have any further responsibility towards you. The same right to refuse to allow you to travel or to use any services applies where you are or appear to be unfit to travel or otherwise behave badly as set out above during any other part of your holiday. If you have failed to give proper notice of any physical or mental disability or condition (including informing us of any change or deterioration in any notified disability or condition) which will or may require care beyond that which any travelling companion or we ourselves can reasonably provide, we are entitled to refuse to allow you to travel. However, at our discretion, the cruise only fare may be refunded.

Guest behaviour

On every Azamara Club Cruises ship, we are committed to providing every guest with an excellent cruise holiday. For the safety and comfort of our guests, Azamara Club Cruises has developed a Guest Conduct Policy for both adults and children. If Azamara Club Cruises determines that certain guests are in violation of these guidelines, we may be forced to ask the offending party to leave the ship at the next available port of call. These policies are subject to change without notice and without liability to Azamara Club Cruises. Azamara Club Cruises is free to adopt additional rules not stated in these policies. These policies are located in the Cruise Services Directory and at Guest Relations. You can also view the Guest Conduct Policy on our website at www.AzamaraClubCruises.com

39. Flights/Air Flights

All prices quoted are per person in Australian Dollars and where applicable include all applicable Airline & Government taxes. Airline taxes are subject to change until the airfare is paid in full and ticketed. Flights are booked in Economy class, unless otherwise stated. Flights will either be scheduled or non-scheduled service. All flights are subject to availability. If you wish to travel on a particular carrier or flight routing, or if your departure and/or arrival date differ from the standard flights available, any additional costs and charges imposed by the airlines or us, will be charged to you. Please refer to the Air/Sea Department or your travel agent for details of such charges. Most airlines operate a non-smoking policy.

Flight timings and routings

Whilst the dates of your outward and return flights will be advised at the time of booking, we are not always in a position to confirm the route, service (scheduled or non-scheduled), airline, aircraft type or the airport of destination, which will be used in conjunction with any flight included in your holiday. For this reason, flight timings and/or routing may not be shown on your confirmation invoice. Itinerary information will be provided as soon as we are in a position to do so. We are unable to inform you of your flight timings and routings for bookings made more than 10 months before departure. The flight timings and airlines shown on our invoice cannot be guaranteed and are subject to change. When this information is provided at the time of booking or subsequently, it is subject to change (including the substitution of non-scheduled flights for scheduled air services and/or re-routing of air travel due to scheduled air services being withdrawn or changed or being unavailable). Any such change will not entitle you to cancel or change to other arrangements without paying our normal amendment and/or cancellation charges.

Whilst we endeavour to book the best connections between flights, your booked flight may not be the most direct route and may also involve stops en route to your final destination which may involve you disembarking from the aircraft or changing aircraft and/or airlines. A wait may be experienced at connecting airports.

Please also note that for guests who are traveling together but booked on different booking numbers, we cannot guarantee that we will be able to book the same flight itinerary for all guests, as these are subject to availability.

Special airfares & promotions

Some flights used in conjunction with our cruises may be based on special fares and may not be the most direct route. Any requested deviations to alternative airlines, routings and timings will incur additional charges. Special airfares may require immediate payment to qualify for the offer.

Flight Tickets

The actual flight times will be those shown on our tickets, which will be dispatched to you approximately 4 weeks before departure. You must check your tickets carefully immediately upon receipt for confirmation for correct flight times. It is possible that flight times may be changed even after tickets have been dispatched – we will contact you as soon as possible if this occurs.

Lost Flight Tickets

If your tickets are lost or stolen prior to commencement of your holiday, please report the loss to us immediately. If your tickets become lost or stolen during the holiday (including your time spent at the airport) you must report this to the airline and the local police immediately (if you have booked your flights with us). **Please note:** There will be a charge for the re-issue of your air tickets. You will be informed of these at the time of reporting the lost or stolen tickets, as the charges vary depending on the airline.

Making changes to flights

Any amendments you make to your flight arrangements will be subject to availability and will incur an administration amendment charge of AU\$25 per person along with any additional costs and charges incurred by us or imposed by the airline, as per your airfare rules at time of booking. If your tickets have been issued, standard airline cancellation penalties will also apply. In some cases, these could be the full cost of your ticket.

Flight Delays

In the event of a flight delay, the airline concerned may provide refreshments, and if necessary, overnight accommodation depending on the expected length of the delay, the time of day and the airport in question. This is entirely the discretion of the airline. Where you have booked a Fly/Cruise holiday we cannot accept any liability for any delay, which is due to any of the reasons set out in clause 41 of these Information, Terms and Conditions (which includes the behaviour of any passenger on the flight, for example fails to check in or board on time). Please note, if your flight is cancelled or delayed, your flight ticket is downgraded or boarding denied by your airline in circumstances which would entitle you to a claim compensation against the airline, you must pursue the claim for the full amount of your claim with us. We and our employees are entitled to receive from the airline concerned by virtue of regulations pursuant the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any

disappointment, distress, inconvenience or effect on any other arrangements even when those arrangements have been made in conjunction with your flight. We have no liability to make any payment (as dealt with above) not covered by the airlines obligations under the Denied Boarding Regulations. If, for any reason, you do not claim against the airline and make a claim for compensation from us, you must at the time of payment of any compensation to you by us, make a complete assignment to us of the rights you have against the airline in relation to the claim that gives rise to that compensation payment

Airline booking class and seat allocations

Unless you book and pay for an upgrade, you will fly Economy class. We strongly recommend that you check-in early if you have a particular seat request as we have no control over the allocation of seats. Flights are often full, your choice of seats may not be available, and it may not be possible to obtain seats together. Please note, only fully fit and able-bodied guests may occupy exit row seats on an aircraft. Some airlines will charge an additional fee to pre-book exit seats, or they are only assigned at the airport check-in.

Special requests

The airline will endeavour to satisfy any special service requests such as dietary requirements, meet-and-assist and wheelchair access. Regrettably we/the airline cannot guarantee your request. Some medical assistance and special meal requests may incur a charge, which will be invoiced accordingly. For all special requirements please email airsea.au@rclapac.com or phone +61 2 4331 5400.

Please note: any request of this nature should be advised at the time of booking. Not meeting any special request for any reason will not be a breach of contract. Airlines may, at their discretion refuse to carry guests with certain medical conditions, which affect you, and/or any member of your party at the time of booking. We do not guarantee that guests traveling within the same party will be confirmed on the same flight arrangements.

Upgrading airfares

Subject to availability and paying the difference in price, you can arrive in style by upgrading your Economy flight to a higher class of travel. If you are interested in upgrading your flight, please notify reservations at time of booking and your request will be passed on to our Air/Sea Department.

Pre- and/or post-cruise accommodation for Fly/Cruise bookings

To ensure you arrive in sufficient time for your cruise, 1 night pre-cruise accommodation is required at selected gateway cities. This is at an additional cost. If accommodation is booked by us it will be itemised on your invoice. Any accommodation/travel arrangements booked independently will not be reflected on this invoice. It is your responsibility to ensure all travel arrangements are correct. Post-cruise accommodation may also be required due to flight schedules. Please check with your Travel Agent or Air Sea consultant for details.

40. Making a Complaint

In the unlikely event you have a reason to complain whilst away, you must immediately notify the Guest Relations Desk onboard ship and the supplier of the service(s) in question (if not us). This is to ensure that we are given the opportunity to address and to attempt to resolve any issue you raise. Any verbal complaint must be put in writing and given to the supplier and us as soon as possible. If a problem cannot be resolved to your satisfaction and you wish to follow this up you must write to us on your return to the address below. You must provide your booking reference number and full details of your complaint within 28 days of your return from holiday unless a different time limit applies to your claim – see clauses 35 and 36. We will only accept complaints from the lead name of a booking. If your complaint is written on behalf of other members of your travelling party, their full names and booking reference numbers must be clearly stated in the correspondence together with their authority for you to handle the complaint on their behalf. If you fail to follow this complaints procedure, your right to claim compensation may be affected or even lost as a result.

We both agree that any dispute or claim will be dealt with by a court located in New South Wales, Australia to the exclusion of the courts of any other state, territory or country.

We can only pay you compensation if the following conditions are met:

- if asked to do so, the person(s) affected must transfer to us any rights they have against the supplier or whoever else is responsible for your claim and complaint.
- The person(s) affected must agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights transferred to us.

41. Liability

Our liability

- Subject to Our Limit of Liability below we promise to make sure that the holiday arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).
- We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:
 - The act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or – The act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or – 'force majeure' as defined in clause 42. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or where we are responsible for them, our suppliers.

Additionally we cannot accept liability for any business losses. Please note we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities, which your hotel or any other supplier agrees to, provide for you where the services or facilities are not advertised in our brochure, and we have not agreed to arrange them. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you. The promises we make to you about the services we have agreed to provide or arrange as part of our contract – and the laws and regulations of the country in which your claim or complaint occurred – will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the US, which would have applied had those services been provided in the US. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question.

Our limit of liability

Please note: The provisions of the Convention relating to the Carriage of Passengers and their luggage by sea 1974 ("The Athens Convention") apply to your cruise as well as the process of getting on and/or off the ship. For any claim involving death or personal injury or delay of or loss of or damage to luggage the only liability we have to you is in accordance with The Athens Convention. This means you are not entitled to make any claim against us which is not expressly permitted by The Athens Convention or which is in excess of the limits provided by The Athens Convention. Any claims covered under The Athens Convention must be made within the time limits set out in The Athens Convention. The Athens Convention limits the maximum amount we as the carrier have to pay if found liable in the event of death or personal injury or loss or damage to luggage and makes special provision for valuables. For death and personal injury, this limit is presently approximately US\$250,000 per person. For claims concerning luggage and valuables, please see our clauses of these terms and conditions. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, rail or road
