See more, do more on a Voyage of Discovery

The key to a Voyages of Discovery cruise is simplicity itself – see more, do more. You'll discover some of the great cities and monuments from the ancient and modern worlds.

Small enough to reach out-of-the-way ports, yet large enough to make light work of crossing the great oceans, our small ships *Discovery* and *Voyager* avoid the excesses of today's mega-liners. Instead they have been expressly conceived for our special brand of discovery cruising to create an atmosphere on board that is friendly and relaxed. There are all the facilities you'd expect, but none of the crowds, noisy nightclubs or casinos

that can spoil a cruise holiday.

During a Voyage of Discovery you are accompanied by around 550-650 like-minded passengers. Complementing the talks given by our own lecturers, who will preview the destinations that lie ahead, the guest speaker programme features historians, explorers, naturalists and diplomats who will share their expertise, anecdotes and interests with you.

- Award-winning discovery cruises
- Fascinating ports of call with expert guest speakers
- Small ship convenience, large liner facilities
- Around 550-650 like-minded fellow travellers
- All onboard gratuities and service charges, plus port taxes included

Introducing *Voyager*

- Newest addition to the Voyages of Discovery fleet
 - Intimate small ship for just 550 passengers
 - 30 Balcony suites
 - Over 86% outside cabins
- Open seating dining in a choice of three restaurants

All Leisure Holidays Limited are proud to introduce a new addition to the Voyages of Discovery fleet – *Voyager*. Formerly the *Alexander von Humboldt*, she has been extensively upgraded and will be joining the ever-popular *Discovery* in November 2012 to provide an even wider choice of innovative cruise itineraries to destinations worldwide.

Voyager, built by Spanish yard Union Navale de Levante, is a spacious and well-appointed vessel offering 278 cabins, 86% of which are outside, 35 suites, 30 of which have outside balconies, open seating dining in three restaurants and the personal service and comfort levels that have been the hallmark of our cruises since 2003. Carrying just 550 passengers, *Voyager* has all the amenities and facilities of a larger liner whilst offering the convenience and flexibility of a small ship. She is able to visit and berth alongside where others have to pass by, yet is able to traverse the world's oceans with ease. On board our passengers will be able to relax in the comfortable public lounges, enjoy a drink in atmospheric Harry's Bar, in the sunshine on deck, at the Lido Bar or alternatively, read a book in the well-stocked library.

The perfect partner for *Discovery*

Voyager joins our well-established and popular liner *Discovery* and will offer the same warm welcome and friendly ambience that our passengers expect, but with open seating dining and the option of a balcony cabin.

GRAND VOYAGES

The ultimate way to travel aboard *Discovery* or *Voyager*, a Grand Voyage promises comfort, convenience, adventure, variety and value!

If several itineraries in this brochure tempt you, then why not combine them into a longer cruise?

Create your own Grand Voyage

Travel as far and as long as you like. For example join *Discovery* as she cruises from the Red Sea to Istanbul and then stay on board and take in the fascinating sights of the Black Sea.

Alternatively step aboard *Voyager* as she heads south towards the Caribbean where you can extend your cruise to take in Christmas and New Year celebrations. Equally as tempting would be to stay on board after the festivities and explore the fascinating cultures and remarkable nature of Central America.

We would be delighted to help you create exactly the holiday that you want – and remember in doing so you'll be saving money at the same time!

THERE ARE THREE EASY STEPS TO CREATING YOUR PERFECT GRAND VOYAGE OF DISCOVERY

1. As long as you embark on your grand voyage at the start of one of our cruise itineraries, you can join *Discovery* or *Voyager* anywhere. Browse the brochure to see where you would like to begin your adventure.
2. Check through the itineraries that follow on from your selected port and decide how many cruise sectors you would like to combine together.
3. Visit your preferred Travel Agent to see how much you'll be saving and to reserve the cabin of your choice.
