🌙 OVERNIGHT

Each *Crystal Endeavor* itinerary balances days at sea with scheduled ports of call, and is intentionally designed to be flexible, allowing the Captain and his team of experts to incorporate unplanned "expedition days" when favorable weather conditions invite the opportunity for uncommon discovery. The Expedition Team will maintain a keen eye so that if an opportunity arises and conditions allow, the Captain will attempt to position the vessel accordingly. At all times, itineraries and ports of call are subject to the Captain's discretion based on prevailing weather and ice conditions. Wildlife sightings and wilderness highlights on any itinerary cannot be guaranteed.

The Programs provide reimbursement for penalties that may be assessed due to cancellations for covered reasons, and provide medical expense reimbursement for accidents or illness that may occur overseas. And, if your claim is denied due to a pre-existing medical condition, the Cruise Protection Program offers participants a special "Cruise Credit Rollover Feature" that allows you to apply the cancellation fees as a credit toward a future cruise.

PERSONAL SELECT AIR PROGRAM

All full-fare, full-cruise guests whose travel originates from a U.S. or Canadian airport only are eligible for Crystal Cruises' optional Personal Select Air Program. This program allows eligible guests to select flights from a choice of multiple itineraries or in consultation with our experienced Crystal Air Travel Concierge. Guests may indicate their preference for our Personal Select Air Program at time of booking or at any time prior to sailing. Flight options will be made available ten months prior to cruise departure. Personal Select Air Program rates are based on the selected itinerary and include transfers between the airport and pier on embarkation/disembarkation dates. Guests participating in this optional program have the assurance of Crystal's support in the event of unanticipated airline or cruise schedule changes or delays which may impact their air travel plans.
