SMALL GROUP TOURS

Extraordinary  
adventures await.

## **Picture a touring holiday that delves a bit deeper.**

One that doesn't simply drop by top sights and major cities, but invites you to see a destination through the eyes of the people who know it best: the locals who call it home. Where journeys are made for absorbing never-to-be-forgotten views, not darting from A to B. And each day ends in a hand-picked retreat brimming with local charm.

At Back-Roads Touring, we've spent over 30 years creating these kinds of small group tours. We know that the best kind of adventure is one that introduces you to local experiences and sights while providing you with the time and space to explore independently.

The key ingredient? Experienced Tour Leaders who can turn an exciting getaway into something truly extraordinary. They'll tell you the stories and secrets behind stately homes as you wander the corridors; show you the perfect position to see the sunset over a city skyline; and point you towards the exact patch of coastline where you can try oysters straight off the boat.

All the while, you can be confident that your Back-Roads tour is being run responsibly and with sustainable tourism in mind. In fact, our commitment to green practices has earned us a Silver Green Tourism rating.

# The Back-Roads Difference

## Enjoy the company of a small group

With small group sizes of no more than 18 people, you can expect a more personalised touring experience. And with like-minded travellers at your side, you'll find that a journey shared is a journey best enjoyed.

## Feed your curiosity

Stories waiting to be unravelled. Secrets waiting to be revealed. Fascinating cultures, delicious flavours and unexplored terrain. Feed your curiosity and embark on a voyage of discovery with Back-Roads – and let the new and exciting take centre stage.

## Embrace the view

Immerse yourself in nature on uplifting journeys through evocative landscapes. From rolling hills and swathes of forest to shimmering coasts and soaring mountains, breathtaking views lie around every corner when you take the scenic route.

*Taormina, Sicily, Italy*

## Discover a local way of life

There's no better way to understand the essence of a destination than by meeting the people who call it home. Learn traditional crafts, stories and recipes as you venture off the tourist trail and behind the scenes with exclusive local experiences.

## Savour each moment

Slow the pace and take it all in; there's plenty of time to enjoy each step of the journey. Whether you're touring a historic home, enjoying a meal or indulging in a wine tasting session, you can do so safe in the knowledge that you won't be rushed.

## Guided by the best

Insightful, attentive and passionate, our Tour Leaders will unlock the experiences that make your Back-Roads tour truly special – from adding personal touches to your itinerary to bringing destinations to life with their local knowledge.

# Travelling in a small group

## Meet curious, like-minded travellers

On a tour with Back-Roads you can expect a maximum of 18, but average of 14, guests – ranging from solo travellers, to couples and smaller groups. You'll meet like-minded people who are ready to explore, without the worry of logistics. There's plenty of flexibility and free time for you to spend as you please, whether that's with the group or exploring solo.

## Take the scenic route

Cast thoughts of long journeys spent zipping up and down motorways from your mind. A Back-Roads tour promises a more leisurely style. With the flexibility to go anywhere a car can, we're able to take the smaller roads through beautiful scenery and get right to the heart of tiny villages, stopping at places of interest as we go.

## Enjoy a more personal style of touring

Our experienced Tour Leaders will have ample time to answer all your questions. History enthusiast? Tour Leaders love sharing stories about local sites and legends. Seafood aficionado? They know the best place to try oysters straight off the boat. Our small group size also allows Tour Leaders to tailor elements of the tour based on the preferences of our guests, meaning a much more personal experience.

Estremoz, Portugal

## What our guests say

*“I prefer small tour groups. Our group had 15– we all got on exceptionally well and have kept in touch. The Back-Roads tour brought people together from different countries, to meet and make friendships too. It’s truly special, significant and **LIFE CHANGING.**” - Allyson (New Zealand), Italian Indulgence tour*

“Tour Leader and coach driver were both excellent – as was our accommodation. I really enjoyed being out on the back roads of England and Scotland instead of busy motorways. Every day there were unexpected stops in really interesting places as well as the stated places on the itinerary. I particularly enjoyed the gentle pace of the tour and my 12 companions couldn’t have been friendlier. Since my return I have been recommending Back-Roads tours to lots of folk. It would be wonderful, if the opportunity ever arose, to take part in another tour with the company.”  
- Mary, Highlights of Britain tour

*“An excellent tour for those who prefer small group travel. A tour that was made perfect by the knowledge, humour and care of an excellent guide. Delightful accommodation, true back roads travelling with a compatible group of fellow travellers.” - James (Australia), Corners of Southern Ireland tour*

“...We particularly enjoyed the small tour party size and believe this policy sets Back-Roads apart from other tours.” - Peter, Corners of Cornwall tour

## Kriszti Imre

### ***What's the most rewarding part of your job?***

One of the things I enjoy the most about Back-Roads is the guests we have from all over the world – and taking those guests on the back roads to tour different countries and showing them the hidden gems of a country that only locals would know about.

Another thing I love is that there is no divide between myself as Tour Leader and the guests at the dinner table. This is not the case on tours run by many bigger tour operators. At Back-Roads, I always sit with guests and we have a chat, a laugh and continue getting to know each other over a delicious meal.

## Micaela Hobbs

### ***What inspired you to become a Tour Leader?***

A desire to share my passion for the culture, history and spectacular scenery of the places we visit. What better way to earn a living than by visiting amazing places while giving others the opportunities to fulfil their dreams?

### ***How do you create memorable experiences for your guests?***

I endeavour to go above and beyond by paying attention to even the little things and keeping the tours flexible and fun. It is so rewarding to create experiences that connect us emotionally, whether it's from sharing laughter, stories, music, scenery, or meals.

## Agnes Bukowiecka

### ***What's the most rewarding part of your job?***

Expanding my knowledge and curiosity of the world, as well as being able to see and explore places I probably would never have had the chance to visit – and share them with fellow travellers. Experiencing beauty is most intense when it is shared with others.
