HERITAGE LINE

Collectors . Artisans . Hosts

Heritage Line is a singular cruise line. Passionate to the core about creating unforgettable and refined river voyages, we operate luxurious ships on Southeast Asia's most fascinating waterways.

Heritage Line is a *collector* of distinctive vessels. We compassionately design and build ships, with inimitable décor and outfitting. Details are painstakingly crafted to remake history. And every boat has its own tale to tell. We are *artisans* rather than mere providers of tours on water. We bring untold stories to life with the perfect mix of comfort, adventure, culture, tradition, authenticity, and extravagance. Ours are journeys that inspire our guests to return, time and time again. And Heritage Line is personal, creating intimate bonds and nourishing friendships. Being wonderful *hosts*, we remember your name and make your journey a truly memorable one.

On board, Laotian artwork and artisanry meet French-colonial elegance and evoke an era where travel meant adventure in the unknown. Step aboard *Anouvong* and discover the far corners of Laos in unsurpassed extravagance.

THE COURAGEOUS MONARCH

Anouvong is Heritage Line's first-ever vessel to cruise the majestic Mekong River in Laos. This less-travelled stretch of one of the world's most spectacular waterways is home to serene nature, quaint villages, and stunning temples. It is only fitting that a boat cruising this pristine and beautiful region of Laos should be named after the Vientiane Kingdom's last monarch, King Anouvong, who so loved his country that he bravely fought for its independence from neighboring Siam.

To create a true boutique sailing experience, *Anouvong* has only eight spacious staterooms and two luxurious suites. All cabins feature floor-to-ceiling windows and open onto elegant French balconies or a private terrace overlooking the verdant shores of the Mekong River.

What makes *Anouvong* unique is the blend of traditional Laotian artwork with French-colonial accents. From the intimate onboard restaurant to the refined setting of the lounge which opens onto the cosy terrace deck with little pool, this design theme creates an atmosphere of luxury and savoir-vivre. Set at the stern of the ship, *Anouvong*'s luminous spa adds a distinctive lifestyle element for endless hours of blissful relaxation.

The *Nam Khan* Signature Suite on the starboard (right) features a hand-crafted mosaic on the main wall depicting life in a Laotian village.

AT A GLANCE

CAFÉ-BAR & LOUNGE

The indoor Café-Bar and Lounge is situated on the terrace deck and welcomes guests at any time of the day with elegantly designed sofas and cushioned rattan chairs. This lounge is the perfect setting to while away time, read and relax in an air-conditioned environment. Floor-to-ceiling glass windows encircle the lounge, allowing fantastic views of the dramatic backdrops. The lounge's doors open wide onto the terrace deck, creating a pleasant commute between these two public facilities on *Anouvong*. The lounge is also used for activities on board such as lectures, demonstrations or evening cinema screenings.

BODHI SPA & GYM

The cozy spa is located on the upper deck in the front of the ship. Designed with a Laotian spiritual theme and the grand tree of life mural, the spa is a little sanctuary of well-being. There are three treatment rooms – one for reflexology treatment (or manicure/pedicure) and two spa rooms with single benches which can be combined for couple treatments. The wellness facilities are completed by a little gym which sits across the hallway of spa area. This fitness room offers cardio equipment (spinning bicycle, treadmill) and free weights with amazing views on the passing shores of the river.

TERRACE DECK

Anouvong's terrace (94 sqm/1012 sqft) beckons guests to enjoy the outdoors while on board. Right at the stern of the ship offering nice views right from the railing sits a little Jacuzzi (heated, 6 sqm/66 sqft). A great addition to the terrace to either cool-down with a glass of "Sprizz" at hot weather times or to enjoy soothing warm waters in the cooler season. The rest of the terrace deck is equipped with comfortable, canvas-shaded sun beds or coffee tables with chairs to cherish the one or other enjoyable alfresco moment at the outdoors.

DELAPORTE DINING LOUNGE

The dining lounge, named after one of the French expedition leaders (which fully explored the Mekong River) evokes the beauty of the temples of Luang Prabang paired with French-style tile flooring. The entire rear wall is covered in intricate gold-leaf artwork depicting traditional Laotian patterns, while two carved wooden statues inspired by Buddhist mythology adorn the opposite side of the room. The dark brown colonial furniture along with the golden tones of the restaurant give the room a timeless elegance, while massive full-sized windows on both sides of the vessel flood the dining hall with sunlight.
