Welcome to BLUE LAGOON CRUISES

Discover the joy of small ship cruising and take a journey through paradise, cruising the Mamanuca and Yasawa Islands of Fiji with Blue Lagoon Cruises. These idyllic islands lie off the western coast of Fiji's main island, Viti Levu, and have some of the most striking scenery in Fiji.

Feel the warmth of the Fijian people and be greeted with open arms and a bright Bula smile wherever you go.

THE BLUE LAGOON CRUISES EXPERIENCE

With over 75 years of cruising experience in the Fijian islands, we know exactly where to take you for unforgettable moments. Life onboard is relaxed and intimate, led by our warm, all-Fijian crew who take pride in personally connecting with every guest.

This isn't just about seeing the islands – it's about truly experiencing them. Each day brings new, included excursions and unique activities designed to immerse you in the culture, beauty, and spirit of Fiji. These are the moments that become lifelong memories.

OUR SHIP

In 2026, Blue Lagoon Cruises took ownership and now operates the MV. Yasawa Princess II, a shallow draft catamaran, allowing us to reach secluded bays and remote islands that larger ships simply can't access. We can even tie off to a coconut tree, letting you swim straight to shore!

With just 22 cabins (accommodating a maximum of 44 guests), and a crew-to-guest ratio of 1:3, our cruises offer a truly personalised experience. You only need to unpack once – then relax as your floating hotel takes you from one idyllic location to the next.

From welcoming Fijian villages to crystal-clear lagoons and breathtaking tropical scenery, every moment reveals a new side of Fiji. It's the Fiji you've dreamed of – and so much more.

MV. Yasawa Princess II

WHY CHOOSE TO CRUISE WITH US?

SMALL SHIP CRUISING

Discover the benefits of small ship cruising. Our ship has a maximum of 44 guests (22 cabins), offering a more intimate and personalised experience. Our attentive Fijian crew quickly learn your name and preferences, and it's not uncommon for our guests to form lasting friendships – both with fellow travellers and crew alike. For most of the year – and on all departures from mid-January 2027 onwards – our cruises are exclusively for guests aged 16 years and over, creating a peaceful and relaxed onboard atmosphere.

AUTHENTIC EXPERIENCE

Experience Fiji through the eyes of those who call it home. Our 100% Fijian crew know these islands like the back of their hands and use their deep local knowledge to enrich your journey. During village visits in the Yasawa Islands, they'll help you connect with the people, culture, and way of life unique to this region. Optional cultural activities – from traditional cooking lessons and kava ceremonies to coconut husking and local singing – make this experience truly authentic, unforgettable, and unlike any other.

PLENTY OF TIME ON SHORE

For those who enjoy an active holiday, there's no shortage of daily activities to keep you entertained – from beach visits, volleyball, and scenic hikes to village tours, island church services, and incredible snorkelling. You can even enjoy once-in-a-lifetime encounters like swimming with reef sharks or manta rays (May to October). Whether you prefer diving into the action or simply finding the perfect spot to relax with a good book, there's something for everyone.

PRIVATE BEACH EXPERIENCE

One of the highlights of our 4 and 7 night cruises is a visit to our exclusive private beach on the world-famous Blue Lagoon. In true Blue Lagoon Cruises style, we secure the ship to a coconut tree, allowing guests to jump straight into the crystal-clear waters and swim ashore.

Spend the day as actively or leisurely as you choose – hike to spectacular island viewpoints, enjoy a game of beach volleyball with our crew, try a range of water sports, or simply relax with your feet in the sand enjoying a cocktail from our beach bar.

As the sun sets, gather for a traditional Fijian lovo feast before enjoying an authentic meke performance by local villagers. With the stars overhead and the gentle sounds of the lagoon nearby, it's a truly unforgettable Fijian experience.

ENVIRONMENTALLY RESPONSIBLE

As an environmentally conscious company, Blue Lagoon Cruises is proud to be free of single-use plastics onboard. To support this commitment, every guest receives a complimentary Blue Lagoon Cruises stainless steel drink bottle to use throughout their journey, with filtered water refill stations conveniently located around the ship.

It's a simple initiative that helps reduce waste while preserving the pristine marine environment of the Yasawa Islands for future generations.
